Sincerity deep study and his hobby has put him into the use of many new techniques and methods for horoscope prediction He has studied many books and magazines on astrology He thought of the necessity of a consolidated Book covering all the aspects topics on subject matters pertaining to astrology at one place This Book is the gist of most of the topics related to Predictions of timing of event happening You can make perfect predictions of the Horoscope of any member of your family with the help of this single book This provides some of the elementary and in depth essential elements of dasa in horoscope predictions especially with planetary conditions Many of the basics of astrology are explained in detail There are at least 43 different dasha systems Dasha is the major period of a planet Dasha means a period of time where one planet has the power to act in an individual s life The time period of different Dasha of planets differ from planet to planet This period is known to be ruled by a specific planet that goes on for a specific period of time Every individual is going through a particular Dasha and as soon as one Dasha ends the other Dasha starts or commences The balance of Dasha s meaning tends to relate to an individual s previous life as it tends to represent the Dasha in which an individual died in their previous life and the balance of Dasha he will go through in this birth from the time of birth In astrology however the meaning of this word implies a planetary period The effects of the planet in their Dasha depend on certain factors such as Condition House Conjunction View or Drishti These aspects or conjunctions are known to influence the positive or negative effects of a planet during the time frame of a specific Dasha in an individual s life The effect of these aspects is also based on the location of the planet in an individual s birth chart The placement of a planet in an individual s birth chart is known to be highly important This is because the position of a planet in its own house or exaltation and Moolatrikona house is known to bring beneficial and positive outcomes in an individual s life and similar results are seen when a planet is positioned in its friendly planet s house
