critical insight with the inimitable Langford wit In 2002 David Langford won his sixteenth Hugo award as Best Fan Writer for critical and humorous commentary on SF In the same year his occasionally scandalous SF newsletter *_Ansible_* won its fifth Hugo Langford also received the 2001 Hugo for best short story and the 2002 Skylark Award Here he shines a unique light on classics like Ernest Bramah G K Chesterton Robert Heinlein and Jack Vance and analyses major SF and major clunkers and minor eccentrics of the 1980s 1990s and early 2000s continuing to the latest by such current stars as Gene Wolfe and China Mi ville Plus witty asides on crime fiction and its SF links gleeful examination of writing so bad it s almost good and even at his most serious turns of phrase to make you laugh aloud *The Silk Road of Adaptation* Dr Laurence

Raw,2013-09-18 This anthology of cutting edge essays on adaptation studies adopts the metaphor of the Silk Road an historical site for transcultural as well as transnational exchange The Silk Road of Adaptation puts forward the idea of adaptation as a continuous process in which individuals continually have to adjust themselves to new material we should not only look at the ways in which texts have been transformed but the ways in which readers audiences and critics have responded to them at different points in time and space Adaptation is a psychological as well as a formal process only by coming to terms with others can individuals address issues of human rights or examine themselves and their existing beliefs The Silk Road of Adaptation stresses this point through a series of essays written by representatives of different disciplines film studies history literature communication studies and English as a foreign language Contributors include established names in the field of adaptation studies as well as newer names who together show how the act of adaptation should be approached as a transmedial as well as a transnational act assuming equal significance in the political and diplomatic as well as the literary and cinematic spheres *Cairo* Andrew Beattie,2005 Cairo is The largest metropolis in Africa since the Middle Ages it was in Ibn Battutah s words the mother of cities With a present day population of around eighteen million this sprawling metropolis is home to one thousand new migrants every day drawn to the seething intensity of a modern cosmopolitan capital that blends together the cultures of the Middle East and Europe The fabled city on the banks of the River Nile once home to pharaohs and emperors now forms a focal point of the Islamic faith and of the Arab world Andrew Beattie explores the turbulent past and vibrant present of this city where the enduring legacies of the ancient Egyptians the early Coptic Church British colonial rule and the modernist zeal of the post independence era have all left their mark

Tom's Version Robert Irwin,2025-06-01 This is the story of a story that plays out in real life Tom is a stock controller Though management of the shelves kept him busy in the daytime his nights were frightful Again and again he dreamt of guns conjuring tricks car chases burials disinterments Martian landscapes and Molly Tom is new to the Story as it was known to the sinister crew who first appeared in *The Runes Have Been Cast* They make their reappearance in this new novel Molly is a hoplophiliac Quentin is the sort of person who knows what a hoplophiliac is someone who likes the use of guns in sex Lancelyn is terrified of women Jaimie has committed murder in order to understand what it is like to be evil Ferdie is a

conjurer with bad breath Bernard is an expert on ghost stories Mortimer is a thug who works at the The Times Literary Supplement But Tom is just so ordinary apart from his visions of Fairyland Hovering in the background are the ghostly presences of St Ignatius of Loyola St Joseph of Copertino Robert Louis Stevenson and M R James Tom's Version is a lament for the sixties and then a mad race towards old age and death there is much fun to be had in these pages and the novel ends with a deftly executed twist of perspective It is a book haunted by many earlier writers but it is Irwin's own antic voice which proves to be the most memorable element JS Barnes in The Literary Review Tom's Version his 10th novel talks of edgy things from abusive relationships to narcotics and sexual power games but with a jovial almost cosy air that suggests this is all now second nature for the 77 year old author Tom's Version is in many ways a book about books with all the erudite insularity that entails For all its esoteric trappings there's nothing especially high minded about this energetic romp at its core which I mean in a good way Noel Gardner in Buzz Magazine

Might Over Right Adel Safty,2022-07-01 Might Over Right provides a critical account of one of the most remarkable stories in the 20th century s history of international relations the history of how in the relatively short time of 30 years Zionist leaders managed with the help of Western mainly British supporters to wrestle a country away from its inhabitants and in the process to profoundly affect the course of international relations and fundamentally transform the history of the Middle East Extensively documented relying mostly on Zionist British and Israeli sources and sweeping in scope the book makes a crucial contribution to the growing effort to challenge the simplistic and reductive accounts in media and scholarship in the West one of the principal causes of the perpetuation of the conflict Might Over Right goes beyond the Israeli new historians accounts that focus on specific aspects of the Zionist Palestinian confrontation It also goes beyond the establishment of the state of Israel in 1948 to critically analyze the latest dimensions of the Arab Israeli conflict and of the continued Israeli Palestinian confrontation
