area and the final section deals with problems of oil and state and of economic development **Arabian Deserts** H. Stewart Edgell,2006-07-21 This is the first comprehensive survey of all the deserts of Arabia based largely on the author s 50 years of experience there The text deals with every kind of desert in the region from vast sand seas to clay pans and stony plains to volcanic flows Along with dune types unique to the region the author outlines climatic changes current ecology and human influence on desertification **Western Arabia and The Red Sea** Naval Intelligence Division,2013-10-28 First published in 2006 Produced during the Second World War for the use of commanding officers this work is a complete guide to the lands of Western Arabia Sections on geology geography the coasts climate vegetation history administration people public health agriculture economy ports and towns offer readers a unique military perspective on this important region Supplemented with hundreds of maps photographs and figures this book will be of great use to anyone with an interest in Arabia **Golden River to Golden Road** Raphael Patai,2016-11-11 This book is a volume in the Penn Press Anniversary Collection To mark its 125th anniversary in 2015 the University of Pennsylvania Press rereleased more than 1 100 titles from Penn Press s distinguished backlist from 1899 1999 that had fallen out of print Spanning an entire century the Anniversary Collection offers peer reviewed scholarship in a wide range of subject areas **Indigo in the Arab World** Jenny Balfour-Paul,2012-10-02 The role indigo has played elsewhere has been fairly well documented but in the case of the Arab world little or no thorough investigation has been previously undertaken Sets out to provide comprehensive coverage of the subject from its earliest history to the present day **The Bible Came from Arabia** 01-01-2012,ﻛﺎﻣﺎﻝ ﺳﺎﻟﯩﺒﻰ Kamal Salibi reveals startling linguistic evidence which controversially suggests that Judaism originated not in Palestine but in west Arabia Whilst looking at the gazetteer of Saudi place names he noticed a remarkable concentration of Biblical place names in an area of 600km long by 200km wide the region of Asir Ancient Hebrew like Arabic was written without vowels Salibi believes that scholars of the sixth century might have added the vowels wrongly when standardizing texts and so he went back to the original unvowelled Old Testament to prove his theory and it did The geography of Palestine has never corresponded in any way to the apparently specific stories on the Bible Salibi s research authenticates the events as history for the first time but within an Arabian setting This book has caused a predictable storm amongst academics and politicians The issue is of such importance that everyone should read the evidence first hand Oral poetry and narratives from Central Arabia. 3. Bedouin poets of the Dawāsir tribe P. M. Kurpershoek,1999-01-01 This volume presents and analyses the work of four contemporary Saudi Bedouin poets based on taped records with special emphasis on this poetry s reflection of the tribal society s evolving self image at a time of rapid social economic and political transformation Southern Arabia J.
