Arcana Coelestia Emanuel Swedenborg,1864 Apocalypse Revealed Emanuel Swedenborg,2013-11-19 This work originally published in 1766 unfolds the spiritual meaning of the Book of Revelation It shows that by the Seven Churches in Asia to whom this prophecy is addressed are meant the different classes of Christians of the present day that the Last Judgment is not an event that is to occur at some future time in the natural world but one that has already taken place in the world of spirits and that the New Jerusalem coming down like a bride out of heaven symbolizes a new dispensation of truth now descending into the minds of men Incidentally it explains numerous passages from other parts of the Word Instructive narratives of things seen in the spiritual world are also interspersed between the chapters The Apocalypse Revealed Emanuel Swedenborg,1791

Apocalypse Explained Emanuel Swedenborg,2013-11-19 This writing was left unpublished at Swedenborg's death although it had apparently been carefully prepared for publication Except towards the end it is almost exclusively an exposition of the spiritual sense of Scripture Not only is every phrase in the Apocalypse as far as covered separately explained but thousands of passages gathered from all parts of the Word are quoted and expounded These expositions close with the tenth verse of the nineteenth chapter Towards the end extended doctrinal discussions are introduced Both for its exposition of passages of Scripture and for its doctrinal statements this is an exceedingly important and valuable work It is especially instructive in its expositions of the Psalms the Prophets and the Gospels **Concerning Heaven and its Wonders, and concerning Hell; being a relation of things heard and seen.
