Philippians A Self-guided Study for Individuals or Groups Diane Junker, 2024-05-01. Philippians has been called The Epistle of Joy and Paul's warmest and most personal letter. Surprisingly, this letter was written by the apostle Paul to Philippian believers who lived with circumstances few would equate with joy. However, Paul's words reveal his secret to contentment: the understanding of all Christ has done and is able to do for every believer. In *Philippians A Self Guided Study for Individuals or Groups*, author Diane Junker offers a chapter by chapter journey through the book of Philippians. The questions are designed to help discover the meaning of the Bible passage by looking at one verse, one phrase, or even one word at a time. The questions and helpful commentary quotes in this study guide help you uncover the meaning of scripture and encourage you to apply these treasures of truth to your life. These words of wisdom carry a powerful meaning for us today as we face many of the same obstacles and pressures these early believers faced. In this letter, we find ourselves like them, being led to the source of joy that can be ours.

God's Future for Animals Raymond R. Hausoul, 2021-08-16. God loves animals and gives them a special place in creation. So do animals also have a place in God's work of redemption? Will there be animals on the new Earth? Will we see our beloved pets in the afterlife? This book takes up the challenge to think in a responsible way through these questions. The author focuses in particular on the physical restoration, the prophetic proclamation of the coming animal peace, the attitude of God and humanity towards animals, and the question of the relationship between biblical life, the future of animals, and vegetarianism. What can the Bible and Christian doctrine reveal to us about God's way with animals?
