## **Presidential Election And The Foundations Of Party Politics:**

*Foundations of Canadian Political Behaviour* Amanda Bittner, **Choices in a Chaotic Campaign** Kim L. Fridkin, Patrick J. Kenney, 2024-05-31 In *Choices in a Chaotic Campaign* Kim Fridkin and Patrick Kenney explore the dynamic nature of citizens beliefs and behaviors in response to the historic 2020 presidential campaign In today s political environment where citizens can effortlessly gather information it is important to move beyond standard political characteristics and consider the impact of pre existing psychological predispositions Fridkin and Kenney argue these predispositions influence assessments of campaign events and issues and ultimately alter citizens voting decisions The book relies on data from an original three wave panel study of over 4 000 people interviewed in September October and immediately after Election Day in November 2020 The timing of the surveys provides the analytical leverage to explore how views of the campaign alter citizens impressions of the candidates The book demonstrates that expanding the relevant citizen characteristics to include psychological predispositions increases our ability to understand how campaigns influence voters decisions at the ballot box **Social and Political Foundations of Constitutions** Denis J. Galligan, Mila

Versteeg, 2013-10-14 This volume explores the social and political forces behind constitution making from a global perspective It combines leading theoretical perspectives on the social and political foundations of constitutions with a range of in depth case studies on constitution making in nineteen countries The result is an examination of constitutions as social phenomena and their interaction with other social phenomena from various perspectives in the social sciences **The UK**

**General Election of 2010** Justin Fisher, Christopher Wlezien, 2013-10-18 The 2010 general election was the most eagerly awaited contest in Britain since 1997 With opinion polls showing a closing gap between the parties the result was uncertain right up to polling day In the end the election was particularly noteworthy for three reasons First of all there were televised debates between leaders of the three largest parties This idea has long been called for but for a variety of reasons they had not occurred in Britain until 2010 Now they are here they are almost certainly here to stay Secondly the election led to the end of thirteen years of Labour rule Just as the 1964 and the 1997 elections had delivered the final blows to long standing one party government so 2010 did the same What made 2010 particularly significant however was that unlike 1964 or 1997 no single party assumed the reins of power Thirdly although the Conservatives ended up as the largest party by some margin they were still some twenty seats short of a majority of just one Not since the election of February 1974 had the result failed to produce a majority government in the Commons and before that we would have to go back to 1929 to find a similar outcome This book features high quality and data rich examinations of the election It is intended for audiences who want to go beyond a simple description of the election towards an enhanced understanding of why the election turned out the way it did This book was published as a special edition of *Journal of Elections Public Opinion Parties* **The Spirit of**

**Compromise** Amy Gutmann, Dennis Thompson, 2024-11-01 Why compromise is essential for effective government and why it

is missing in politics today To govern in a democracy political leaders have to compromise When they do not the result is political paralysis dramatically demonstrated by the gridlock in Congress in recent years In *The Spirit of Compromise* eminent political thinkers Amy Gutmann and Dennis Thompson show why compromise is so important what stands in the way of achieving it and how citizens can make defensible compromises more likely They urge politicians to focus less on campaigning and more on governing In a new preface the authors reflect on the state of compromise in Congress since the book's initial publication Calling for greater cooperation in contemporary politics *The Spirit of Compromise* will interest everyone who cares about making government work better for the good of all

*Capturing Campaign Effects* Henry E. Brady, Richard G. C. Johnston, 2009-09-23 *Capturing Campaign Effects* is the definitive study to date of the influence of campaigns on political culture Comprising a broad exploration of campaign factors debates news coverage advertising and polls and their effects priming learning and persuasion as well as an impressive survey of techniques for the collection and analysis of campaign data *Capturing Campaign Effects* examines different kinds of campaigns in the U S and abroad and presents strong evidence for significant campaign effects *Capturing Campaign Effects* is an accessible and penetrating account of modern scholarship on electoral politics It draws critical insights from a range of innovative analyses Arthur Lupia University of Michigan What a wonderful way to usher in the new era of election studies This book spotlights fascinating paradoxes in the literature of voting behavior highlights many promising approaches to resolving those paradoxes and shows how these strategies can yield important findings with terrific payoffs for our understanding of contemporary democracy Fasten your seatbelts folks scholarship on elections is about to speed up thanks to this collection of great essays Jon Krosnick Stanford University The past decade has seen a renewed interest in understanding campaign effects How and when do voters learn Does the election campaign even matter at all *Capturing Campaign Effects* draws on leading political scientists to address these matters The result is a collection that will become the major reference for the study of campaigns The lesson that emerges is that campaigns do affect voter decision making usually for the better Robert S Erikson Columbia University Henry E Brady is Class of 1941 Monroe Deutsch Professor of Political Science and Public Policy and Director of the Survey Research Center at the University of California Berkeley Richard Johnston is Professor and Head of Political Science and Distinguished University Scholar at the University of British Columbia

*The Foundations of the British Labour Party* Matthew Worley, 2016-12-05 Interest in the Labour Party remains high particularly following the unprecedented election of a third successive Labour government and amidst the on going controversies that surround the New Labour project Increasingly the ideological basis of the Labour Party has come under scrutiny with some commentators and party members emphasizing progressive traditions within the party whilst others refer back to the trade union foundation of Labour This volume brings together a group of scholars working within the field of labour history to consider the various elements that influenced the early Labour Party from its formation into the 1930s The party's association with the trade union movement is

explored through the railwaymen and mineworkers unions while further contributions assess the different ways in which the Independent Labour Party the co operative movement liberalism Christianity and the local party branches helped lay the foundations for Labour s growth from a parliamentary pressure group to a party of government

**Political Marketing: Theoretical and Strategic Foundations** Wojciech Cwalina, Andrzej Falkowski, Bruce I. Newman, 2011-03-14 Comprehensive and clearly organized this is the first integrated theory to practice text on marketing s role in the political process It incorporates insights and concepts drawn from the disciplines of Marketing Psychology and Political Science and covers every aspect of marketing s infiltration into politics including campaign strategy market segmentation and media strategy Using examples and models drawn from countries around the globe the authors elucidate the importance of political marketing techniques for the stability of democratic institutions They also note the potential threats to democracy especially the use of marketing techniques to manipulate voters at the subconscious level They conclude with a set of normative do s and dont s for political marketing practice that strengthens civic education and democratic governance

**Comparative Issues in Party and Election Finance** F. Leslie Seidle, 1991-01-01 This book is one of 23 volumes of research commissioned by the Royal Commission on Electoral Reform and Party Financing and one of five volumes within this series dealing specifically with party and election finance Because the issue of money in elections is as old as democracy the experience of other countries is instructive The studies in this volume offer Canadians information about approaches to funding political parties and elections in the United States and Western Europe The studies by Herbert Alexander and Robert Mutch examine how the United States has approached issues such as contribution limits and the disclosure of election finances The latter study provides explicit comparisons to Canada noting the constitutional role of the Supreme Court in each country Jane Jensen draws on Western European experience to propose and assess reforms for the public funding for party foundations is documented by Michael Pinto Duschinsky The studies approach their material from a historical perspective noting the uniqueness of the constitutions institutions and traditions of the countries reviewed The authors provide background essential to any consideration of whether foreign experience might serve as a model for Canada

**Party Politics and Democratization in Indonesia** Dirk Tomsa, 2008-09-03 Party Politics and Democratization in Indonesia Golkar in the Post Suharto Era provides the first in depth analysis of contemporary Indonesian party politics and the first systematic explanation why Golkar is still the strongest party in Indonesia Applying a multi dimensional conceptual framework of party institutionalization theory the book examines Golkar s organizational infrastructure its decisional autonomy and programmatic platform as well as the party s relations to the mass media Strengths and weaknesses in the individual dimensions of institutionalization are then contrasted with the corresponding levels of institutionalization reached by Indonesia s other major parties Tomsa argues that Golkar remains Indonesia s strongest party because it is better institutionalized than its electoral competitors However while highlighting the former regime party s strengths in key aspects

of party institutionalization he also shows that Golkar also has some considerable institutional weaknesses which in 2004 prevented the party from achieving an even better result in the general election As an empirical study on Golkar and Indonesia's other major political parties this book will be of huge interest to students and scholars of Southeast Asian politics political parties and elections and democratization Handbook of Political Party Funding Jonathan Mendilow, Eric Phélippeau, 2018-01-26 Scrutinizing a relatively new field of study the Handbook of Political Party Funding assesses the basic assumptions underlying the research presenting an unequalled variety of case studies from diverse political finance systems

*Going Local* Jeffrey E. Cohen, 2010 Going public to gain support especially through reliance on national addresses and the national news media has been a central tactic for modern presidential public leadership In *Going Local* Presidential Leadership in the Post Broadcast Age Jeffrey E Cohen argues that presidents have adapted their going public activities to reflect the current realities of polarized parties and fragmented media Going public now entails presidential targeting of their party base interest groups and localities Cohen focuses on localities and offers a theory of presidential news management that is tested using several new data sets including the first large scale content analysis of local newspaper coverage of the president The analysis finds that presidents can affect their local news coverage which in turn affects public opinion toward the president Although the post broadcast age presents hurdles to presidential leadership *Going Local* demonstrates the effectiveness of targeted presidential appeals and provides us with a refined understanding of the nature of presidential leadership

**Laying the Foundation for Nigeria's Democracy** Professor Humphrey N. Nwosu, 2017-08-01 Laying the Foundation for Nigeria's Democracy My Account of June 12 1993 Presidential Election and Its Annulment is a factual gripping and compelling insight into the most authentic analysis and explanation of the nation's political environment under which the June 12 election was held and how the result was tragically annulled even as it was accurately adjudged as the freest and fairest in the history of the country The theoretical thrust deals with the crux of the problems that face the task of nation building in Nigeria which is legitimacy Prudently the author examines how the Nigerian leadership tends to attract legitimacy and its acceptance from the generality of Nigerians He documents the centrifugal and centripetal forces that combined in the various ways to shape as well as influence President Babangida's transition program The program is analyzed and compared with the previous transition program and the process its special features like its phased nature and its inbuilt learning process are identified Professor Humphrey Nwosu concludes the book by stating unequivocally that Nigerians found a great deal of opportunity for real and genuine democracy during June 12 presidential election and they grabbed it The outcome of the election and its annulment had whetted the appetite of both the majority and the minority ethnic groups of Nigeria There is therefore a burning desire for equality fairness and freedom for all Nigerians Suggesting how Nigerians can solve their present political problems he reiterates that the June 12 presidential election lays a strong foundation for democracy in Nigeria and also maintains that June 12 1993 election was indeed the Real Democracy Day in

Nigeria while May 29 1999 was its offshoot This broad ranging book of stimulating account is commended to students of political science political leaders democrats all public office holders as well as independent readers having the interest of Nigeria's development at heart     The 2000 Presidential Election and the Foundations of Party Politics Richard Johnston, Michael G. Hagen, Kathleen Hall Jamieson, 2004-06-28 In the aftermath of the 2000 presidential election campaigns suddenly seem to matter as do questions about the electoral process Professors Johnston Hagen and Jamieson have examined the US electoral process as an integrated event spanning a full year drawing upon a data set that is massive in scale and novel in execution the Annenberg 2000 Election Study The scale of their fieldwork is such that they have been able to isolate key turning points and that dynamics can be studied within certain segments The interviews are rich in opinion about policy perception information and judgement about candidates media use and strategy What is more the authors have used candidate appearances news coverage and campaign advertising to provide the first integrated account of this or any US campaign     Voting in Quebec Municipal Elections Éric Bélanger, Cameron D. Anderson, R. Michael McGregor, 2022-02-23 While Quebec is well known for its provincial level party politics and thriving nationalism voting behaviour and electoral campaigning at the municipal level have failed to gain much attention to date Voting in Quebec Municipal Elections seeks to transform the state of municipal elections research in Quebec through a systematic study of the 2017 Montreal and Quebec City elections Drawing upon data from the Canadian Municipal Election Study the authors demonstrate not only the importance of Quebec municipal politics but the many ways that municipal elections research can inform our broader understanding of voting behaviour in the province This volume considers the features particular to the Quebec local context such as the importance of language and nationalism the effects of local party labels for down ballot races and the role of ideology Voting in Quebec Municipal Elections represents the largest ever collection of work on local elections in the province's history making a significant contribution to our understanding of the municipal voter in Quebec     *Comparative Political Finance in the 1980s* Herbert E. Alexander, Joel Federman, 1989-08-25 Investigates the problems common to democracies seeking to regulate uses of money in election campaigns and to a lesser extent considers the role of public funding     Political Finance and Corruption in Eastern Europe Jurij Toplak, Mr Daniel Smilov, 2013-03-28 One characteristic of Central and Eastern European democracies in transition is the lack of stability in terms of accountability and transparency in practices of political party financing This key volume provides a thorough and well structured post communist study of political finance election campaign and party funding issues within this region focusing specifically on Central and Eastern European countries It outlines best practices for political party and election campaign financing discusses the shortcomings of political funding schemes and highlights the scandals that emerge under investigation Providing an illuminating analysis of how current regulations of political finance succeed in controlling the rise of political corruption the volume will be indispensable for anyone interested in the efficiency of regulation in party funding     **Catholics and Politics** Kristin E.

Heyer, Mark J. Rozell, Michael A. Genovese, 2008 Depicts the ambivalent character of Catholics mainstream arrival in the US integrating social scientific historical and moral accounts of persistent tensions between faith and power This work describes the implications of Catholic universalism for voting patterns international policymaking and partisan alliances **The party system.
