Latter-Day CIPHER Latayne Scott, 2009-04-01 When rebellious Utah socialite Kirsten Young is found murdered in Provo Canyon with strange markings carved into her flesh and a note written in a 19th Century code questions arise about the old laws of the Mormon Church Journalist Selonnah Zee is assigned the story which quickly takes on a life of its own Even before the first murder is solved several more victims appear each one more mysterious than the last Meanwhile Sedonnah is

distracted by her mother's onset of Alzheimer's and her sudden attraction to the mysterious Salt Lake City police chief who is investigating the murder Adding to a slew of other distractions Selonnah's cousin Roger has recently converted and is now a public spokesperson for the Mormon faith But paradoxically Roger's wife Eliza is struggling to hold onto the Mormon beliefs of her childhood If something is really from God she wonders why does it need to be constantly revised Could the murderer be asking the same questions And most importantly will they be able to stop him before he commits his biggest crime taking out a Mormon landmark and dozens of sightseers

Mormon Battalion Norma Ricketts, 1997-01-01 Few events in the history of the American Far West from 1846 to 1849 did not involve the Mormon Battalion The Battalion participated in the United States conquest of California and in the discovery of gold opened four major wagon trails and carried the news of gold east to an eager American public Yet the battalion is little known beyond Mormon history This first complete history of the wide ranging army unit restores it to its central place in Western history and provides descendants a complete roster of the Battalion's members
