them surf and beach movies For a short time in the 1960s they were extremely popular with younger audiences mainly

Catalog ,1975 **The Horn Book Magazine** ,1962 Complete Book of Vampires Leonard R. N. Ashley,2013-02-01

Possibly the most comprehensive book ever published on one of the world s oldest and most terrifying legends The vampire is

one of the most potent and enduring symbols of the supernatural as deathless as Bram Stoker s perennially popular creation

Count Dracula As this entertaining and encyclopaedic work reveals vampires were around for centuries before Count Dracula

appeared Legends about vampires are found in folklore throughout the world dating back to ancient times and over the years

they have never lost their power to inspire fear Combining erudition with readability Leonard Ashley presents vampire lore

from around the world gathering together many unexpected facts about the dead and undead about hangings and

summonsings and reports of manifestations that cannot be lightly dismissed Whether you are incredulous sceptical or simply

curious you will find this darkly enjoyable survey irresistible Its listings of films and books make it a valuable resource for

fans while its wealth of rare illustrations are fascinating **The Palgrave Handbook of Steam Age Gothic** Clive

Bloom,2021-02-03 By the early 1830s the old school of Gothic literature was exhausted Late Romanticism emphasising as it

did the uncertainties of personality and imagination gave it a new lease of life Gothic the literature of disturbance and

uncertainty now produced works that reflected domestic fears sexual crimes drug filled hallucinations the terrible secrets of

middle class marriage imperial horror at alien invasion occult demonism and the insanity of psychopaths It was from the

1830s onwards that the old gothic castle gave way to the country house drawing room the dungeon was displaced by the

sewers of the city and the villains of early novels became the familiar figures of Dr Jekyll and Mr Hyde Dracula Dorian Grey

and Jack the Ripper After the death of Prince Albert 1861 the Gothic became darker more morbid obsessed with demonic

lovers blood sucking ghouls blood stained murderers and deranged doctors Whilst the gothic architecture of the Houses of Parliament and the new Puginesque churches upheld a Victorian ideal of sobriety Christianity and imperial destiny Gothic literature filled these new spaces with a dread that spread like a plague to America France Germany and even Russia From 1830 to 1914 the period covered by this volume we saw the emergence of the greats of Gothic literature and the supernatural from Edgar Allan Poe to Emily Bronte from Sheridan Le Fanu to Bram Stoker and Robert Louis Stevenson Contributors also examine the fin de si cle dreamers of decadence such as Arthur Machen M P Shiel and Vernon Lee and their obsession with the occult folklore spiritualism revenants ghostly apparitions and cosmic annihilation This volume explores the period through the prism of architectural history urban studies feminism hauntology and much more Horror as Poe teaches us is the soul of the plot
