## 1419 Education Policy Leadership Learning:

**Designing Equitable and Accessible Online Learning Environments** Kyei-Blankson, Lydia, Keengwe, Jared, Ntuli, Esther, 2024-02-07 As the educational sphere witnessed an unprecedented shift to online learning during the COVID 19 pandemic a pivotal transformation was set in motion The surge in online enrollment spanning synchronous asynchronous hybrid and mobile formats has established the digital domain as a formidable medium of education However this transition comes with a responsibility to uphold the principles of equality and accessibility a responsibility that mirrors the concerns long prevalent in traditional brick and mortar classrooms *Designing Equitable and Accessible Online Learning Environments* is a pioneering endeavor which delves into the multifaceted dimensions of online education and reveals a crucial revelation that students from disadvantaged backgrounds exhibit a pronounced affinity for online courses This book magnifies the essence of this observation venturing beyond the surface to uncover the means to cultivate a genuinely inclusive online pedagogical experience Meticulously curated this book amalgamates diverse perspectives from luminaries in the field The ultimate aspiration is to empower educators administrators researchers and students with a profound understanding of the symbiotic relationship between inclusivity and technology From theoretical underpinnings to practical strategies every chapter resonates with the heartbeat of equitable education in the digital age Embarking on a comprehensive journey this book is an exploration of design theories that embrace the ethos of diversity equity inclusion and accessibility Topics span the spectrum from deciphering the architecture of accessible digital tools to unraveling the tapestry of culturally responsive teaching in the virtual classroom *Handbook of Education Policy Research* Lora Cohen-Vogel, Peter Youngs, Janelle Scott, 2025-07-17 The second edition of the *Handbook of Education Policy Research* the largest volume published in AERA's history addresses a variety of policy and contextual issues in early childhood K 12 and postsecondary education that have received extensive empirical attention during the past 15 years With the pandemic and social turmoil as a backdrop the editors build on the breadth and depth of the first edition while expanding the scope of the project to include subjects methods theories and analyses that have contributed powerfully to the study of education policy and politics in the 2010s and 2020s The field has become more comprehensive and inclusive and the authors represent a diversity of racial ethnic and gender identities and intellectual and disciplinary orientations Most chapters come from multiple authors reflecting the multi sourced development of research in education policy since the first volume was published This compilation consists of 70 chapters and nine commentaries that map past present and future directions of the field and richly attend to critical issues of interest to students researchers policy makers and practitioners *Resources in Education* ,1998 *Teaching Educational Leadership in Muslim Countries* Eugenie A. Samier, Eman S. ElKaleh, 2019-04-10 This book explores the Islamic tradition and Muslim contexts for educational administration and leadership It addresses the teaching of educational administration and leadership from an Islamic perspective by raising issues of globalised educational administration and leadership teaching as

it applies in Muslim contexts that vary by culture and social institutions The book proposes alternative approaches and demonstrates that Islamic traditions have a strong foundation upon which to build in the field and are compatible with many aspects of Western theory and practices provided that sufficient modifications and adaptations are made The book focuses on postgraduate curricula and pedagogy drawing on a range of theoretical foundations and approaches that are culturally and jurisdictionally appropriate in a number of Muslim countries As such it contributes to an emerging specialisation in international and comparative educational administration and leadership that is oriented towards a broader and more diverse set of perspectives particularly from the non Western world

The Palgrave Handbook of Educational Leadership and Management Discourse Fenwick W. English, 2022-10-13 This Handbook explores the discourse within the field of educational leadership and management It provides a clear analysis of the current field as well as older foundational ideas and newer concepts which are beginning to permeate the discussion The field of educational leadership and management has long acknowledged that educational contexts include a variety of leaders beyond school principals and other school officials such as informal and middle level leaders By looking at the knowledge dynamic rather than a static knowledge base this Handbook allows research to be presented in its multidimensional evolving reality

*Effective Police Leadership in the 21st Century* Rob Elkington, Christopher D. O'Connor, Tiffany Castell, Les Sylven, 2025-05-01 Effective Police Leadership in the 21st Century New Paradigms for a Novel Context provides a platform and pathway to equip existing and emerging Police leaders with a range of leadership mindsets and skillsets

*Handbook of Research on the Education of School Leaders*, **Handbook of Research on Educational Leadership and Research Methodology** Wang, Viktor, 2022-06-24 Education inevitably influences society and our future As literature and experience tells educational leaders impact not only their institutions but ultimately the learning outcomes for a large portion of society's members Educational leaders are charged with more than creating a viable future for an institution they are also charged with contributing to and creating a viable positive human future not an easy task amid the turbulence and disruption of our times The Handbook of Research on Educational Leadership and Research Methodology discusses the evolution of educational leadership knowledge thoughts and practices by sharing the perspectives experiences theories and philosophies related to educational leadership and research methodologies across all levels of education Covering topics such as critical race design toxic leadership and adult learning this major reference work is a critical resource for faculty and administrators of both K 12 and higher education principals superintendents chancellors directors pre service teachers teaching instructors government officials librarians researchers and academicians
