Throughout the centuries Satan has failed to destroy the Bible. Instead, he has muddied the waters surrounding the pure Word of God. In The Need For An Every Word Bible, Dr. Hyles takes a logical, common-sense approach to this topic. He shows how Satan has cast doubt on God's Holy Word by adding, subtracting, and changing words. A word is a vehicle of thought; so if the words are changed, the thought is changed. Do not be fooled into thinking that publishers are just trying to make the Bible easier to understand. Put aside all preconceived notions, biases, and prejudices and follow the simple logic as Dr. Hyles takes us on a journey to discover where we can find THE every word Bible.
