Marriage Seen through Proverbs and Anti-Proverbs Anna T. Litovkina, Wolfgang Mieder, 2019-11-04 This book explores various aspects of marriage and the ways it is viewed and conceptualized in the body of Anglo American anti proverbs or proverb transformations. It also depicts those who contribute to the institution of marriage that is husbands and wives and analyses their nature qualities attributes and behaviours as revealed through such anti proverbs. In addition the text investigates those who remain single and do not belong to the institution of marriage but contribute to the institution of marriage. It will appeal to a wide range of readers from the casually interested general reader to the paremiologist paremiographer lexicographer and anthropologist.

Power Speak Dorothy Leeds, 2025-09-12 What is the secret to being a captivating and credible speaker? Never be boring. If you are boring people will not listen. The central message and focus of PowerSpeak is the importance of engaging stimulating and maintaining an audience's attention. This book focuses on the elements of speaking effectively from a design and a delivery perspective. Dorothy Leeds isolates these essential elements to assure that any speaker can gain and keep the audience's attention. She focuses on the trouble spots of any presentation and the six major faults speakers make. This book also includes tips on the following: Breaking the fear barrier Ten steps that guarantee a complete presentation How to avoid weak passive language and make humor your ally Voice and speech exercises How to handle the Q & A portion of a presentation How to develop your own style and project positive body language How to incorporate or not incorporate new technology into presentations.

Anti-Proverbs in Five Languages Anna T. Litovkina, Hrisztalina Hrisztova-Gotthardt, Péter Barta, Katalin Vargha, Wolfgang Mieder, 2022-01-11 This book is the first comparative study of English German French Russian and Hungarian anti proverbs based on well known proverbs. Proverbs are by no means fossilized texts but are adaptable to different times and changed values. While anti proverbs can be considered as variants of older proverbs they can also become new proverbs reflecting a more modern worldview. Anti proverbs are therefore a lingo cultural phenomenon that deserves the attention of cultural and literary historians folklorists linguists and general readers interested in language and wordplay.
