15 Days of Prayer with Saint Catherine of Siena Chantal van der Plancke, Andre Knockaert, 2000 This series provides an introduction to spiritual masters of both modern and historical times and gives the reader an opportunity to have a spiritual relationship with a great teacher Each book provides a spiritual break from a busy and distracted life These are practical volumes with a brief history of each figure at the beginning of the book an itinerary for fifteen days of prayer and meditation and a bibliography included in each volume This series comprises an essential spiritual resource for active Christians and offer an inside look at each renowned spiritual guide 15 Days of Prayer With Dorothy Day Michael Boover, 2013-12-25 Dorothy Day connected radical faith with doing radical deeds Beginning from her discovery of God in the Word when she was eight years old Michael Boover shares Dorothy's reflections about her pilgrimage to the daily discipline of readiness and openness to God in her life especially to God in her neighbor He shares her words on why and how she prays on her preference for frequent confession on her intentional choice of suffering and poverty and on her desire to imitate the saints and to make sanctity the norm of everyone's life In these 15 days we see how Dorothy's discipline gave her true freedom In particular it allowed her to give priority to Love to take the most direct route to God by loving her neighbor She recognized the paucity of her own best spiritual efforts and took refuge in the fact that God would do for believers what they could not fully do for themselves Boover's practical exercises emulate Day's own temperament They push you to live with more integrity and deeper love and they show a deep compassion for the difficulty of the challenge **15 Days of Prayer with Saint Catherine of Siena** Chantal van der Plancke, 2009 Catherine of Siena 1347-1380 had her first vision of Christ at age 6 and dedicated her life to his service as a Dominican She produced an extraordinary series of nearly 400 letters on spiritual education and the public affairs of the Church and served as an advisor to Pope Gregory XI and his successor Urban VI Catherine is also the author of the Dialogue and a Doctor of the Church Saint Catherine issues an invitation and challenge change direction move away from self and toward God and neighbor This 15 day journey will teach you to focus on Christ and be transformed by him sharing the knowledge and joy of his love with others The Cross is the central axis of these fifteen days because it is the place that leads to God This is the vision of spiritual awakening in Christ that Saint Catherine offers us **The Library Journal**, 2000 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000-0035 called Junior libraries 1954 May 1961 Also issued separately **Library Journal**, 2000 The History of St. Catherine of Siena and Her Companions Augusta Theodosia Drane, 1880 **The Cult of Saint Catherine of Siena** Gerald Parsons, 2008 This book examines the origins development and history of the cult of Saint Catherine of Siena Gerald Parsons argues that the cult of Catherine of Siena constitutes a remarkable example of the cult of a particular saint which across more than six centuries has been the vehicle for an evolving sequence of civil religious rituals and meanings He shows how the cult of this particular saint developed firstly as an

expression of Sienese civil religion secondly as a focus for Italian civil religion and finally into an expression of European civil religion Instead of the predominantly devotional and frequently essentially hagiographical approach of much of the literature on Catherine of Siena Parsons examines the significance of her cult from the perspective of civil religion and the social history of religion **The history of st. Guide to Symbols and Types in the Bible and Tradition Fr. Devin Roza,2015-07-01 The Early Church read the Scriptures with the conviction that in the words of St Augustine The New Testament lies hidden in the Old and the Old Testament is unveiled in the New Drawing inspiration from how both the Apostles and Christ himself read the Old Covenant as referring to the New cf Luke 24 27 1 Peter 3 20 21 1 Corinthians 10 1 5 the Church found the Old Testament to be rich with figures or types that foreshadowed both the mysteries of the life of Christ and the mysteries or sacraments of the New Covenant And

yet in modern times the study of types or typology has been largely abandoned by scholars due to the dangers of subjectivity and exaggeration How can typology be studied in a way that is objective and that avoids the excesses present in the past Fr Devin Roza seeks to offer a solution to these difficulties by asking the question According to the Scriptures and the living Tradition of the Church what are the types and symbols of the sacraments and what do they mean As authorized representatives of the living Tradition the Liturgy including the readings from the Church Fathers and the Catechism together with the Scriptures offer both the scholar and pastor the opportunity to study typology as the Catholic Church herself understands and prays it today in those texts the Church considers her own Fulfilled in Christ thus offers a comprehensive and readable summary of references to types and symbols of the sacraments in the Scriptures and the living Tradition of the Church as represented by the Liturgy and the Catechism The result is a highly objective scholarly and at the same time pastoral study of how the Church understands and lives the types and symbols of the sacraments today Two Millennia of Memorable Christian Women Stanley M. Burgess, Ruth Vassar Burgess, 2020-08-19 For over 2 000 years Christian women have struggled with inequities between the genders This certainly has been true in matters religious Christian women have shown ethical moral and spiritual strength while being deprived of leadership or power positions reserved for their male counterparts In this tome the authors celebrate a wide variety of such female heroines drawn from early Christian Roman Catholic Orthodox Protestant Pentecostal and Charismatic groups as well as a sprinkling of so called heretical individuals These women often have become saints martyrs visionaries missionaries and spiritual voices models to all generations At the same time it must be remembered that many of them also carried and gave birth to children raised them and fulfilled the other functions required of them in their social contexts The emphasis is on celebrating these memorable individuals *American Book Publishing Record* ,2000 *Praying--with the Saints--to God Our Mother* Daniel F. Stramara, 2012-04-01 Praying with the Saints to God Our Mother celebrates the feminine characteristics of God by uncovering a treasury of texts that have been overlooked for centuries Over 150 scriptural passages both from the original biblical languages and other ancient translations radiate the warmth and vitality of the maternal face of God Additionally passages from five Ecumenical Councils all thirty three Doctors of the Church another thirty six Fathers and a total of seventy one saints from every century reveal a vast richness of feminine images of God Stramara s in depth scholarship presented in a format of prayer and meditation makes this book inviting for all readers Praying with the Saints to God Our Mother will be the standard reference for Christians of any tradition for years to come *Fallen Sparrows* Richard Shaw, 2023-01-27 This book is a sweeping anecdotal view of two thousand years of Christian history It asks whether we are called to be a righteous community apart from those who are sinners criminals and nonbelievers or if we should embrace all people as Christ did **An Educator's Guide to Living a Virtuous Life | 2nd Edition** Sr. John Dominic Rasmussen, OP, 2023-03-03 An Educator s Guide to living a virtuous life aids educators and parents in understanding the importance of

living a virtuous life It will assist you in teaching those entrusted to your care The guide answers the following questions why what who and how to educate in virtue The Educator s Guide provides the content needed to educate youth in discipleship and virtue by providing in depth knowledge of the theological and moral virtues as well as the corresponding gifts of the Holy Spirit Educators will help students clearly understand how everyone is called to be a disciple of Christ and that through a personal encounter with Him each of us is gifted with interior happiness and true freedom
