battlefield is one of the best preserved Civil War battlefields in the National Park System Antietam is ideal for a staff ride since a continuing goal of the National Park Service is to maintain the site in the condition in which it was on the day of the battle The purpose of any staff ride is to learn from the past by analyzing the battle through the eyes of the men who were there both leaders and rank and file soldiers Antietam offers many lessons in command and control communications intelligence weapons technology versus tactics and the ever present confusion or fog of battle We hope that these lessons will allow us to gain insights into decision making and the human condition during combat

Battle of Antietam Ted Ballard, 2007 This staff ride guide examines the Maryland Campaign and Battle of Antietam the bloodiest day in American history On 17 September 1862 the Army of the Potomac met the Army of Northern Virginia on the rolling farmlands around Sharpsburg Maryland While General Lee sought to bring the war to the North and liberate Maryland General McClellan having gained important intelligence would endeavor to defeat Lee and reverse the momentum of several Union losses Though neither the Union nor the Confederate side gained the decisive victory both desired the battle provides many lessons in command and control communications intelligence technology versus tactics and the fog of war
