1876 A Novel

Clemens Wendtner

1876 A Novel:

1876 Gore Vidal, 2000-02-15 Gore Vidal's Narratives of Empire series spans the history of the United States from the Revolution to the post World War II years. With their broad canvas and large cast of fictional and historical characters, the novels in this series present a panorama of the American political and imperial experience as interpreted by one of its most worldly knowing and ironic observers. The centennial of the United States was celebrated with great fanfare, fireworks, exhibitions, pious calls to patriotism, and perhaps the most underhanded political machination in the country's history: the theft of the presidency from Samuel Tilden in favor of Rutherford B. Hayes. This was the Gilded Age when robber barons held the purse strings of the nation and the party in power was determined to stay in power. Gore Vidal's 1876 gives us the news of the day through the eyes of Charlie Schuyler, who has returned from exile to regain a lost fortune and arrange a marriage into New York society for his widowed daughter. And although Tammany Hall has faltered and Boss Tweed has fled, the effects of corruption reach deep even into Schuyler's own family. *The English Catalogue of Books: v. [1]. 1835-1863* Sampson Low, James Douglas Stewart, 1872 Catalogue of Books in the Roxbury Branch Library of the Boston Public Library. Including the Collection of the Fellowes Athenaeum. Together with Notes for Readers Under Subject-references Anonymous, 2025-08-11 Reprint of the original first published in 1876. The Antigonus publishing house specialises in the publication of reprints of historical books. We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage. **The Westminster Review**, 1877 **British Museum Catalogue of Printed Books**, 1884 Thomas Hardy Ronald D. Morrison, 2021-05-14 Thomas Hardy enjoyed a long and distinguished career as a novelist before devoting his talents to writing poetry for the remainder of his life. This book focuses on Hardy's remarkable achievements as a novelist. Although Victorian readers considered some of his works controversial, his novels remained highly regarded. His novels still appear in the syllabi of courses in Victorian literature and the British novel, as well as courses in feminist gender studies, environmental studies, and other topics. For scholars, students, and the general reader, this companion helps to make Hardy's novels accessible by providing a detailed biography of Hardy, plot summaries of each novel, and analyses of the critical contexts surrounding them. Entries focus on the people, cultural forces, literary forms, and movements that influenced Hardy's novels. The companion also suggests approaches for original interpretations and suggestions for further study. American Book Publishing Record Cumulative, 1876-1949 R.R. Bowker Company. Department of Bibliography, 1980 **Frances Ellen Watkins Harper's Civil War and Reconstruction** Eric Gardner, Professor and Chair, Department of English, Eric Gardner, 2025-10 Frances Ellen Watkins Harper fought for abolition, women's suffrage, Black suffrage, civil rights, and temperance throughout the second half of the nineteenth century, all while lecturing across the nation and writing powerful novels, poems, essays, and sketches. Still, though Harper was well known during her lifetime, many twentieth-century critics dismissed or ignored her. Building from pioneering archival work, Frances

Ellen Watkins Harper's *Civil War and Reconstruction* gives the fullest account available of how this major African American author/activist claimed the book's nation-shaking title moments as her own. The book focuses especially on Harper's vision of what Reconstruction could be, not only what needed to be built back after the Civil War but what needed to be wiped away and what needed to be created anew to enact a more perfect union.

Women Writers Dramatized H. Philip Bolton, 2000-01-01. This volume, arranged alphabetically by original author, provides basic information about stage and screen productions based upon the novels of 40 women writers before 1900. Each entry includes the novel and its publication date, the published texts or dramatizations based upon the book, and the performances of the piece in live theater and film versions, including the location, dates, and playwright or screenwriter if there was one. For some of the performances, the author includes a brief annotation listing the actors and describing the production.

Bulletin Boston Public Library, 1893. Quarterly accession lists beginning with Apr 1893; the bulletin is limited to subject lists, special bibliographies, and reprints or facsimiles of original documents, prints, and manuscripts in the Library, the accessions being recorded in a separate classified list. Jan-Apr 1893, a weekly bulletin; Apr 1893-Apr 1894, as well as a classified list of later accessions in the last number published of the bulletin itself. Jan 1896.

A Supplement to Allibone's Critical Dictionary of English Literature and British and American Authors ... John Foster Kirk, 1891.

Anniversary Essays on Tolstoy Donna Tussing Orwin, 2010-02-25. A century after Leo Tolstoy's death, the author of *War and Peace* is widely admired but too often thought of only with reference to his realism and moral sense. The many sides of Tolstoy revealed in these essays speak to readers with astonishing force, relevance, and complexity. In a lively, challenging style, leading scholars range over his long life, from his first work, *Childhood*, to the works of his old age, like *Hadji Murat*, and the many genres in which he worked, from the major novels to aphorisms and short stories. The essays present fresh approaches to his central themes: love, death, religious faith and doubt, violence, the animal kingdom, and war. They also assess his reception both in his lifetime and subsequently. Setting new agendas for the study of this classic author, this volume provides a snapshot of more current scholarship on Tolstoy.

In the "Stranger People's" Country Mary Noailles Murfree, Charles Egbert Craddock, 2005-01-01. In *The Stranger People's Country*, tells the story of contact between a late nineteenth-century Tennessee mountain community and an amateur archaeologist who wants to open the graves of the prehistoric Leetle Stranger People, a source of myth to the mountaineers. A politician looking for votes in the country has invited the archaeologist Shattuck to travel into the mountains with him, but a mountain woman, Adelaide Yates, threatens to shoot anyone who attempts to violate the graves. The courageous mountaineer Felix Guthrie joins the defense of the Stranger People and competes with Shattuck for the attention of another mountain woman, Letitia Pettingill. Author Mary Noailles Murfree (1850-1922) uses dialect and vivid descriptions of mountain scenes to introduce the reader to Appalachia and its people. She creates respectful representations of Appalachian life and explores some of the changes the arrival of outsiders brought to the mountains. Murfree's depiction of social and aesthetic issues increases our understanding of the nineteenth

century and serves as a literary precursor of the twentieth century Appalachian activist movements to preserve the environment against the strip mining and chemical industries This edition of Murfree s 1891 novel reprinted for the first time includes notes about Appalachian dialect and the novel s references to archaeology which have some basis in actual archaeological discoveries in Tennessee *Science Fiction and Fantasy Literature, Vol 1* R. Reginald,2010-09-01 Science Fiction and Fantasy Literature A Checklist 1700 1974 Volume one of Two contains an Author Index Title Index Series Index Awards Index and the Ace and Belmont Doubles Index *THE ADVENTURES OF TOM SAWYER* Meenu Gupta,2020-12-26 An all time classic book which is a must read for every individual and an absolute library essential The book contains illustrations and are abridged in view of being made suitable for readers of all ages **Literary Writings in America** ,1977

The Prefaces Henry James,2024-03-28 The Cambridge Edition of the Complete Fiction of Henry James provides for the first time a scholarly edition of a major writer whose work continues to be read quoted adapted and studied James wrote the eighteen Prefaces included in this volume to accompany the revised selective New York Edition of his novels and tales 1907 9 They are unique and various writings at once a digest of James s critical principles an unsystematic treatise on fiction theory an account of his rereading and revision of his own work an oblique autobiography of the writing life and a public performance of authorial identity This is the first scholarly edition of the Prefaces and includes a detailed contextual introduction a full textual history and extensive explanatory notes It will be of value to researchers scholars and advanced students of Henry James and of 19th and 20th century British and American literature and book history **A Road We Do Not Know** Frederick J. Chiaventone,2002-03-22 This historical fiction dramatically tells the story of the Battle of the Little Bighorn through the eyes of ordinary soldiers and warriors and vividly describes the fatigue grime sweat fear heartbreak and carnage of frontier warfare A Road We Do Not Know brings a fresh and moving sensibility to the story of Custer Sitting Bull and Crazy Horse those icons whose lives came together at the Battle of the Little Bighorn A fine novel compellingly written W E B Griffin author of Brotherhood of War Frederick Chiaventone tells an important gripping and instructive tale Winston F Groom author of Forrest Gump *War On Wealth, The: Fact And Fiction In British Finance Since 1800* Ranald Michie,2023-03-21 This book addresses the divide that exists between the reality of finance and the image it projects A functioning financial system is an essential feature of a modern economy providing it with money credit capital and investments Conversely those who provide this essential service are neither respected nor trusted The causes and consequences of this divide is explored using the British experience from 1800 to the present drawing upon a mixture of factual evidence and contemporary fiction Nothing of this scale has been attempted before and this is the product of 50 years of research ,

Immerse yourself in heartwarming tales of love and emotion with Crafted by is touching creation, Tender Moments: **1876 A Novel** .
