Glorious Courage Sarah Kay Bierle,2025-05-31 A look at Confederate hero John Pelham separating the real man from Lost Cause mythmaking It is glorious to see such courage in one so young So declared Confederate General Robert E Lee on December 13 1862 during the battle of Fredericksburg as he watched Major John Pelham fight at least five Union batteries with just one lone gun The dashing and handsome 24 year old Alabama officer earned the compliments and admiration of his men the war gods of Virginia Lee Jackson and Stuart and Southern society all while helping transform the concept of horse artillery on Civil War battlefields across Virginia and Maryland After Pelham s death in battle in 1863 his place as a beloved Southern hero soared and admirers firmly elevated him into the upper ranks of the Confederate pantheon His status as a Lost Cause martyr exacted a price though Admirers transformed Pelham s memory into the beau ideal of Confederate arms

sometimes altering and clouding the realities of his life His memory has been trapped there ever since until now In Glorious Courage historian Sarah Kay Bierle reconsiders Pelham s extraordinary if short life by drawing on primary and secondary sources and her extensive knowledge of the battlefields Pelham s zest for living carried him from Alabama to the military academy at West Point while his zeal in command of the Stuart Horse Artillery earned him well deserved plaudits But like every other man who served the Confederate cause the remarkable young officer was a human being with flaws He deserves his place in history as he lived it not varnished with the perspectives shoved upon him by later generations *Tenth Census of the United States, 1880: Social statistics* United States.
