1900 The Turn Of The Century Events Of Yesteryear Series:

The Second World War Michel Pierre, Annette Wieviorka, 1987 An overview account that deals with the causes and principal events of World War II and ends with Hiroshima

Yesterday's Future Michael E. Stevens, Steven B. Burg, David A. Chang, Reid A. Paul, 1999 Journalists scholars religious leaders and even schoolchildren offered predictions Some predictions proved quite accurate such as increased life expectancy through better medicine central air conditioning and air travel while others such as free university education for all and communication with Martians did not

School Library Journal, 1987

Some Did it for Civilisation, Some Did it for Their Country Jane E. Elliott, 2002 This book marks a total departure from previous studies of the Boxer War It evaluates the way the war was perceived and portrayed at the time by the mass media As such the book offers insights to a wider audience than that of sinologists or Chinese historians The important distinction made by the author is between image makers and eyewitnesses Whole categories of powerful image makers both Chinese and foreign never saw anything of the Boxer War but were responsible for disseminating images of that war to millions of people in China and throughout the world

[American History for Children and Young Adults](#) Vandelia VanMeter, 1990 An index to recommended books about people and events in US history Books are included if they were reviewed between 1980 and 1988 in journals commonly available in small to medium sized public and school libraries Annotations provide complete bibliographic data recommended grade level and citations to the journal reviews The arrangement is by time period subdivided by subject Also available on disk for the Apple Mac and IBM Annotation copyrighted by Book News Inc Portland OR

The Pony Express Trail William E. Hill, 2010-03-01 Distributed by the University of Nebraska Press for Caxton Press It operated less than two years It lost an enormous amount of money But the Pony Express delivered the mail across a continent at a critical time and captured the imagination of people all over the world like few events in the history of the American West

[The Rank and File of 19th Century Major League Baseball](#) David Nemec, 2012-04-19 With this volume David Nemec completes his remarkable trilogy of 19th century baseball biographies covering every major league player manager umpire owner and league official It provides in depth information on many figures unknown to most historians Each detailed entry includes vital statistics peer driven analysis of baseball related skills and an overview of the individual's role in the game Also chronicled are players first and last major league games most important achievements movements from team to team and much more By bringing attention to these overlooked baseball personalities this reference work immeasurably enriches our knowledge of 19th century major league baseball

Identity in Professional Wrestling Aaron D. Horton, 2018-03-04 Part sport part performance art professional wrestling's appeal crosses national racial and gender boundaries in large part by playing to national racial and gender stereotypes that resonate with audiences Scholars who study competitive sports tend to dismiss wrestling with its scripted outcomes as fake yet fail to recognize a key similarity both present athletic displays for maximized profit through live events

television viewership and merchandise sales This collection of new essays contributes to the literature on pro wrestling with a broad exploration of identity in the sport Topics include cultural appropriation in the ring gender non conformity national stereotypes and wrestling as transmission of cultural values The Publishers Weekly ,1999 **American Book Publishing Record** ,1987 **The Rotarian** ,1974-02 Established in 1911 The Rotarian is the official magazine of Rotary International and is circulated worldwide Each issue contains feature articles columns and departments about or of interest to Rotarians Seventeen Nobel Prize winners and 19 Pulitzer Prize winners from Mahatma Ghandi to Kurt Vonnegut Jr have written for the magazine Framing France Richard Thomson,1998 Landscape painting in France between 1870 and 1914 was a battleground fought over by avant garde and conservative artists as well as the Left and Right in French politics This collection of essays by distinguished contributors throws light on how representing the land became an evolutionary vehicle not only for art but society as well 70 illustrations **China's Environmental Challenges** Judith Shapiro,2013-04-17 China's huge environmental challenges are significant for us all They affect not only the health and well being of China but the very future of the planet In this trailblazing book noted China specialist and environmentalist Judith Shapiro investigates China's struggle to achieve sustainable development against a backdrop of acute rural poverty and soaring middle class consumption Using five core analytical concepts to explore the complexities of this struggle the implications of globalization the challenges of governance contested national identity the evolution of civil society and problems of environmental justice and equity Shapiro poses a number of pressing questions Do the Chinese people have the right to the higher living standards enjoyed in the developed world Are China's environmental problems so severe that they may shake the government's stability legitimacy and control To what extent are China's environmental problems due to patterns of Western consumption And in a world of increasing limits on resources and pollution sinks is it even possible to build an equitable system in which people enjoy equal access to resources without taking them from successive generations from the poor or from other species China and the planet are at a pivotal moment the path towards a more sustainable development model is still open But as Shapiro persuasively argues making this choice will require humility creativity and a rejection of business as usual The window of opportunity will not be open much longer Chapter 1 The Big Picture is available online Princeton Alumni Weekly ,1967 *Monthly Labor Review* ,1950-07 Publishes in depth articles on labor subjects current labor statistics information about current labor contracts and book reviews On to Victory Bettina Friedl,1987 *Quantitative Methods for Historians* Konrad Hugo Jarausch,1991 The pioneering texts in quantitative history were written over two decades ago but as a command of methodological context computer experience and statistical literacy have become increasingly important to the study of history the need for an introduction Gustav Mahler Jens Malte Fischer,2011-08-09 A best seller when first published in Germany in 2003 Jens Malte Fischer's *Gustav Mahler* has been lauded by scholars as a landmark work He draws on important primary resources some unavailable to previous biographers and sets in narrative context the extensive

correspondence between Mahler and his wife Alma Alma Mahler's diaries and the memoirs of Natalie Bauer Lechner a viola player and close friend of Mahler whose private journals provide insight into the composer's personal and professional lives and his creative process Fischer explores Mahler's early life his relationship to literature his achievements as a conductor in Vienna and New York his unhappy marriage and his work with the Metropolitan Opera and the New York Philharmonic in his later years He also illustrates why Mahler is a prime example of artistic idealism worn down by Austrian anti-Semitism and American commercialism Gustav Mahler is the best sourced and most balanced biography available about the composer a nuanced and intriguing portrait of his dramatic life set against the backdrop of early 20th century America and fin de siècle Europe *Congressional Record* United States.
