## 1914 Glory Departing:

**1914, Glory Departing** Edward Owen, 1986 *The Foreign in International Crime Fiction* Jean Anderson, Carolina Miranda, Barbara Pezzotti, 2012-06-14 The foreigner is a familiar character in popular crime fiction from the foreign detective whose outsider status provides a unique perspective on a familiar or exotic location to the xenophobic portrayal of the criminal other Exploring popular crime fiction from across the world *The Foreign in International Crime Writing* examines these popular works as transcultural contact zones in which writers can tackle such issues as national identity immigration globalization and diaspora communities Offering readings of 20th and 21st century crime writing from Norway the UK India China Europe and Australasia the essays in this book open up new directions for scholarship on crime writing and transnational literatures **Western Front** Matthew Wright, 2005 The New Zealanders surged up the scaling ladders and over the top into the dawn mist In November 2004 a soldier from the Western Front was chosen to symbolise all New Zealand's military heritage underlining the way that our experience in Belgium and France between 1916 and 1918 speaks to us over the years and generations Why did so many New Zealanders sail from the uttermost ends of the Earth to die in muddy foreign soil and were the tactics really as mindless as climbing out of a trench and walking very slowly towards the Germans until everyone was dead *Roger C. Sullivan and the Triumph of the Chicago Democratic Machine, 1908-1920* Richard Allen Morton, 2019-01-23 Between 1908 and 1920 Roger C Sullivan and his political allies consolidated their control of the Chicago and Illinois Democratic parties creating the enduring structure known as the Chicago Democratic machine Not a personal faction nor tied to any cause it was a coalition of professional political operatives employing business principles to achieve legal profit and advantage Sullivan was its chief organizer and first boss rising to primacy after many political battles with William Jennings Bryan among others and went on to become a kingmaker who helped Woodrow Wilson win the presidency By the time of his death Sullivan was widely respected his achievements recognized even by those who deplored his politics Based upon new research this first comprehensive study of Sullivan and the early days of the Chicago machine focuses on the daily realities of the city's politics and the personalities who shaped them *A History of the British Cavalry 1816 to 1919* George Charles Henry Victor Paget Marquis of Anglesey, 1973 In Volume VII it is shown how superior the British Cavalry was to those of the French and German in the first five months of the Great War A major factor in their success was their skill in dismounted firepower and their capacity to move speedily from one point to another **The Cumulative Book Index**, 1988 A world list of books in the English language **The Army Quarterly and Defence Journal**, 1995 **The A to Z of World War I** Ian V. Hogg, 2009-09-28 One of the most devastating armed conflicts in history World War I completely transformed the social and political landscape of the world in four short years It also marked the appearance of the new modern lifestyle one that always contained the grim prospect of the possible recurrence of war Ian V Hogg's *The A to Z of World War I* provides a dual approach to the study of this historically significant event The

dictionary has a broad reach containing brief biographies of commanders and diplomatic leaders as well as casualty statistics and descriptions of geographical locations Each entry gives a basic overview of crucial information It also includes maps and chronologies that provide a visual perspective on the breadth of World War I and how it truly encompassed and transformed the entire world Hogg s approach balances contemporary needs for contextualization with precise historical details that gives readers information to supplement their knowledge of the war Also included is a bibliography which allows the reader to access other sources of information for further details about World War I

*When Your Number's Up* Desmond Morton,1993 The Canadian Soldier in the first world war by the author of *Marching to Armageddon* Angels Hope Price,1994 Angels offers evidence that these messengers from God do intervene in our lives carrying out practical missions of mercy and comfort Hope Price has gathered the testimonies of hundreds of people to whom angels have miraculously appeared sometimes in human form sometimes as beings shimmering with light Angels have been seen to rescue children and adults from disaster give early warning of impending tragedy and offer protection in times of fear danger and bereavement And always they leave behind a sense of divine peace Monty and Rommel: Parallel Lives Peter Caddick-Adams,2011-06-08 Two men came to personify British and German generalship in the Second World War Bernard Montgomery and Erwin Rommel They fought a series of extraordinary duels across several theatres of war which established them as two of the greatest captains of their age Our understanding of leadership in battle was altered for ever by their electrifying personal qualities Ever since historians have assessed their outstanding leadership personalities and skill The careers of both began on the periphery of the military establishment and represent the first time military commanders proactively and systematically used and were used by the media as they came to prominence first in North Africa then in Normandy Dynamic and forward thinking their lives also represent a study of pride propaganda and nostalgia Caddick Adams tracks and compares their military talents and personalities in battle Each brought something special to their commands Rommel s breathtaking advance in May June 1940 was nothing less than inspired Montgomery is a gift for leadership gurus in the way he took over a demoralised Eighth Army in August 1942 and led it to victory just two months later This compelling work is both scholarly and entertaining and marks the debut of a major new talent in historical biography Historical Dictionary of World War I Ian V. Hogg,1998 Contains brief biographies of commanders and diplomatic leaders as well as casualty statistics and descriptions of geographical locations Each entry gives a basic overview of crucial information It also includes maps and chronologies that provide a visual perspective on the breadth of World War I and how it truly encompassed and transformed the entire world *The Seabound Coast* William Johnston,William G.P. Rawling,Richard H. Gimblett,John MacFarlane,2011-01-14 Commended for the 2011 Keith Matthews Award From its creation in 1910 the Royal Canadian Navy was marked by political debate over the countrys need for a naval service The Seabound Coast Volume I of a three volume official history of the RCN traces the story of the navys first three decades from its beginnings as Prime

Minister Sir Wilfrid Lauriers tinpot navy of two obsolescent British cruisers to the force of six modern destroyers and four minesweepers with which it began the Second World War The previously published Volume II of this history Part 1 No Higher Purpose and Part 2 A Blue Water Navy has already told the story of the RCN during the 1939-1945 conflict Based on extensive archival research The Seabound Coast recounts the acrimonious debates that eventually led to the RCN's establishment in 1910 its tenuous existence following the Laurier governments sudden replacement by that of Robert Borden one year later and the navys struggles during the First World War when it was forced to defend Canadian waters with only a handful of resources From the effects of the devastating Halifax explosion in December 1917 to the U boat campaign off Canadas East Coast in 1918 the volume examines how the RCN's task was made more difficult by the often inconsistent advice Ottawa received from the British Admiralty in London In its final section this important and well illustrated history relates the RCN's experience during the interwar years when anti war sentiment and an economic depression threatened the services very survival **The Times Literary Supplement Index, 1902-1939**, 1978 **Publishers Directory**, 1988
