world list of books in the English language International Business Information Michael Halperin, Ruth A.

Pagell, 2024-02-02 This newly updated and expanded edition of a reference bestseller is the only work available that guides business researchers and librarians to the most valuable sources for information on international business and shows how to interpret and use that data. The authors discuss the best available resources and how to use them to find answers to a wide range of questions about international business. They also describe business practices in various regions and countries, the basics of international trade and finance, international business organizations, and relevant political departments and agencies. Many exhibits and tables are included, and the book's appendices include glossaries, checklists for evaluating sources, and sample disclosure documents.

Immigration and Nationality Law American Immigration Lawyers Association. Symposium, 1990 **Legalized Casino Gaming in the United States** Cathy Hc Hsu, 2014-01-21 Covering the entire United States gaming market, *Legalized Casino Gaming in the United States* provides gaming researchers, policymakers, and hospitality students with a comprehensive overview of the history, development, legislation, and economic and social impacts of riverboat, land-based, and Native American casino gaming. Containing national and regional research about the industry, this book will provide students with a historical view on gaming and the hospitality industry, offer researchers data and current market status of the industry, and will give policymakers information about the advantages and disadvantages of a gaming industry in their community. Comprehensive and thorough, *Legalized Casino Gaming in the United States* is full of case studies, data, and surveys that provide you with credible information on community incomes, residents' attitudes about gaming, and gaming taxes in certain states. This fact-filled book will help you evaluate and learn about the pros and cons of the industry, including reviewing changes in the gaming laws and regulations in particular regions and segments of the industry, explaining laws and regulations by state for riverboat and other Native American land-based gaming, examining negative and positive social impacts of gaming, including crime, quality of life, community services, availability of entertainment, recreation, and cultural activities, community attractiveness such as reputation, appearance, cleanliness, and traffic, local resident attitudes, and pathological gaming, explaining Nevada's gaming regulatory system, including the roles of the Nevada Gaming Commission and Gaming Control Board, and discussing issues related to currency transactions, exclusion lists, work permits, customer disputes, and underage gambling. Discussing positive economic aspects of Native American gaming, such as tax benefits in Connecticut, Wisconsin, Oregon, and Minnesota, and how the industry impacts surrounding communities, *Examining the Industry* from ethical, economic, and social standpoints, the contributors offer you

several perspectives of a situation not just one side of an issue to help you make educated decisions or opinions about gaming
Bolstered with charts graphs tables and future research recommendations Legalized Casino Gaming in the United States
offers you an in depth and comprehensive look at the gaming industry helping you weigh the positive and negative effects of
