Twentieth-Century Sprawl Owen D. Gutfreund, 2004-05-01 Here Owen Gutfreund offers a fascinating look at how highways have dramatically transformed American communities nationwide aiding growth and development in unsettled areas and undermining existing urban centers Gutfreund uses a follow the money approach showing how government policies subsidized suburban development and fueled a chronic nationwide dependence on cars and roadbuilding with little regard for expense efficiency ecological damage or social equity The consequence was a combination of unstoppable suburban sprawl along with ballooning municipal debt burdens deteriorating center cities and profound changes in American society and culture Gutfreund tells the story via case studies of three communities Denver Colorado Middlebury Vermont and Smyrna Tennessee Different as these places are they all show the ways that government sponsored highway development radically transformed America's cities and towns Based on original research and vividly written Twentieth Century Sprawl brings to light the benefits and consequences of the spread of American highways and makes a major contribution to our understanding of issues that still plague our cities and suburbs today *Ecosystem Management for Sustainability* John Peine, Samab Foundation, 1998-06-23 As the 21st century approaches the need to put principles of sustainable living and ecosystem management into practice has never been so urgent Ecosystem Management for Sustainability recognizes this need and shares the experiences of the editor and 54 contributing authors each leaders in the advancement of ecosystem management and champions of the natural environment The book uses the Man And Biosphere program as a case example of

a wide variety of resource management activities at work Through the multi authored contributions to this book documentation of a comprehensive spectrum of ecosystem management and sustainable development principles is achieved Ecosystem Management for Sustainability provides a link between theory and practice of these two philosophies
