The Natural Health Guide to Headache Relief Paula Maas, Deborah Mitchell, 1997 Unsurpassed in scope and effectiveness this is a unique and comprehensive collection of natural headache remedies that will help sufferers discover how to identify the headache type and explore a wealth of soothing therapies that can be used alone or in combination with conventional medical care

Water-Insoluble Drug Formulation Ron Liu, 2000-09-30 Delivering drugs in a water insoluble formulation is a critical matter in therapeutic drug development However because a drug molecule has to be water soluble to be readily delivered to the cellular membrane while retaining its hydrophobic properties issues surrounding water insolubility can postpone or completely derail important new drug development Even much needed reformulation of currently marketed products can be significantly affected by these issues This book systematically describes the techniques used for water insoluble formulations providing step by step guidance as well as scientific background on drug and water properties and how they contribute to solubilization and dissolution A world class team of experts discusses how these issues are viewed and solved by key industry and R D institutions This book provides a handy reference for pharmaceutical scientists in the handling of formulation issues related to water insoluble drugs In addition this book may be useful to pharmacy and chemistry undergraduate students and pharmaceutical and biopharmaceutical graduate students to enhance their knowledge in the techniques of drug solubilization and dissolution enhancement

Defining Multiple Chemical Sensitivity Bonnye L. Matthews, 2015-08-13 The number of people suffering from Multiple Chemical Sensitivity MCS is greater than the number suffering from AIDS yet the general public and the medical community know very little about the disease More and more people are disabled daily despite the fact that the condition does not have to occur In Part One of this work experts review the research into the disease along with treatment strategies Part Two examines the legal recourses available to MCS sufferers such as workers compensation claims and product liability suits How the medical community has often worked against MCS sufferers is the focus of Part Three demonstrating that medical opposition to the disease is unfounded The editor an MCS sufferer details her own case in Part Four

The Benefit/Risk Ratio Hans C. Korting, M. Schafer-Korting, 1998-07-24 The use of drugs as remedies for various types of diseases has a long tradition however it has only been recently recognized that the value of any given compound must be evaluated in light of its benefit to risk ratio When prescribing drugs physicians must look at the big picture of the drug s benefits in relation to its side effects

and possibly **Antidepressants** Phil Skolnick, 1997-06-03 In this book leading edge investigators offer effective strategies to improve current antidepressive therapies and suggest molecular biological and genetic approaches that will lead to the development of novel antidepressants The contributors critical reviews and commentaries illuminate our understanding of the mechanisms responsible for antidepressant action The book's goal is to move beyond current biogenic amine based concepts and therapies to the development of new and improved antidepressants that are more effective and have a more rapid onset than current *The Multimedia and CD-ROM Directory*, 1998 *Healthcare CAI Directory*, 1995 *Analytical Profiles of Drug Substances and Excipients*, 1996-08-30 Although the official compendia define a drug substance as to identity purity strength and quality they normally do not provide other physical or chemical data nor do they list methods of synthesis or pathways of physical or biological degradation and metabolism Such information is scattered throughout the scientific literature and the files of pharmaceutical laboratories Edited by the Associate Director of Analytical Research and Development for the American Association of Pharmaceutical Scientists *Analytical Profiles of Drug Substances and Excipients* brings this information together into one source The scope of the series has recently been expanded to include profiles of excipient materials *New Serial Titles*, 1998 A union list of serials commencing publication after Dec 31 1949 *Obstetrics and Gynecology Drug Handbook* Gerald I.
