1st Black President The Race To The White House:

Reflecting on America's First Black President Ooko John,2012-07 In highlighting the political and economic progress of African Americans while pinpointing the historical success of Barack Obama in the last presidential election the book covers the history of the African peoples in the principal regions of Africa the Caribbean North America and South America In reporting and acutely analyzing the same events of human history spanning over 1500 years it initially delves into the reactions from the political order in the form of the Tea Party Movement following Obama s victory Totalling over 500 pages the book then takes the reader on a trip down memory lane covering events as the slave trade discrimination and colonization that pitted Africans and their diasporic descendants against Europeans and later Americans After covering the critical stages of African Americans economic and political development following the Civil War to present day the book crosses the Atlantic Ocean to cover the major failures of political events after independence on the African continent Two specific chapters in the book analyze the events under feudal Europe that led to the enslavement of Africans while another does the same on the system of capitalism The final four chapters report and analyze Africa s present challenges and possible solutions The Black President Claude Andrew Clegg,2021-10-12 With lively prose and sensitivity to context this book

offers a sweeping authoritative history of the Obama presidency focusing particularly on its impact and meaning vis vis African Americans This interpretative account captures the America that made Obama s White House years possible while at the same time rendering the America that resolutely resisted the idea of a Black chief executive thus making conceivable the ascent of his most unlikely of successors **The First Black President Blues** David L. Dukes,2002-07 **Obama** David

Cohen,Mark Greenberg,2009 When Barack Obama became president elected on November 4 2008 he transformed Martin s Luther King s dream into reality Obama and the 66 3 million Americans who voted for him proved to the world that all things are possible And the day after people from coast to coast lined up to buy newspapers as souvenirs The demand was unprecedented with stands and stores quickly selling out USA Today sold an extra 380 000 copies for example while the Atlanta Journal Constitution went back to print five times Now everyone can own a piece of history thanks to this gorgeous commemorative album of front pages that capture Barack Obama s extraordinary journey to the White House Featuring newspapers both domestic and foreign and depicting all the landmarks in this groundbreaking campaign including the inauguration itself Obama is a stunning keepsake for all who experienced this remarkable moment and for future generations too

First Son Keith Koeneman, 2022-12-22 Mayor Richard M Daley dropped the bomb at a routine news conference at City Hall on Tuesday With no prelude or fanfare Mr Daley announced that he would not seek re election when his term expires next year Simply put it s time he said New York Times September 7 2010 With those four words an era ended After twenty two years the longest serving and most powerful mayor in the history of Chicago and arguably America stepped down leaving behind a city that was utterly transformed and a complicated legacy we are only beginning to evaluate In First Son Keith Koeneman chronicles the sometimes Shakespearean sometimes Machiavellian life of an American political legend Making deft use of unprecedented access to key players in the Daley administration as well as Chicago s business and cultural leaders Koeneman draws on more than one hundred interviews to tell an up close insider story of political triumph and personal evolution With Koeneman as our guide we follow young Daley from his beginnings as an average Bridgeport kid thought to lack his father s talent and charisma to his unlikely transformation into an iron fisted leader Daley not only escaped the giant shadow of his father but also transformed Chicago from a gritty post industrial Midwestern capital into a beautiful sophisticated global city widely recognized as a model for innovative metropolises throughout the world But in spite of his many accomplishments Richard M Daley s record is far from flawless First Son sets the dramatic improvement of certain parts of the city against the persistent realities of crime financial stress failing public housing and dysfunctional schools And it reveals that while in many ways Daley broke with the machine politics of his father he continued to reward loyalty with favors use the resources of city government to overwhelm opponents and tolerate political corruption A nuanced portrait of a complex man First Son shows Daley to be sensitive yet tough impatient yet persistent a street smart fighter and
