1st Air Cavalry Division Vietnam:

1st Air Cavalry Division ,1995 1st Air Cavalry in Vietnam Simon Dunstan, 2004 On 1 July 1965 the 1st Cavalry Division Airmobile was officially activated and was ordered to Vietnam beginning 28 July 1965 In a matter of three and half weeks the newly formed division with 16 000 men and 434 helicopters Chinooks CH 47s Flying Cranes CH 54s Mohawks OV 1s UH 1s and OH 13s was prepared to enter combat Within 90 days of becoming the Army s first airmobile division the First Team was in combat as the first fully committed division of the Vietnam War On 10 October 1965 in Operation Shiny Bayonet the First Team initiated its first brigade size airmobile action against the enemy The division would go on to take part in many more air assaults and play a leading role in defence against the Tet offensive driving out the NVA and Viet Cong invaders from Hue and in Operation Pegasus relieving the 3 500 U S Marines and 2 100 ARVN soldiers besieged by nearly 20 000 enemy at Khe Sanh On 1 May 1970 the First Team was First into Cambodia hitting what was previously a Communist sanctuary but the campaign had severe political repercussions for the Nixon Administration Pressure was mounting to withdraw US forces from the war Although there would be further assault operations the war was beginning to wind down and 26 March 1971 officially marked the end of duties in Vietnam for the 1st Cavalry Division although it was only on 5 May 1971 that the colours moved from Vietnam to Fort Hood Texas Air Cav J.D. Coleman, 2011-06-08 Air Cav History of the 1st Cavalry Division in Vietnam 1965 1969 is the story of the small close world of fighting men in action told in their own words and supplemented with vivid photographs of the First Cavalry Division's experience in the war and a history of the division This volume can be many things to many people a book of memories a souvenir a pictorial essay on airmobility or simply a story of gallant men at war It can be many things but one thing it is not nor does it pretend to be a complete history of the 1st Air Cavalry Division in Vietnam The task and burden of history must lie with the objectivity of future generations far removed from current pressures and restraints It is true of course that much research for this book has been done from available official records the ultimate source of written history But even more has been drawn from the vivid recollections of the Cavalrymen who fought tasted the brassy bile of fear shared the fierce exultation of victory or were drenched in the dark despair of death This volume contains the memoirs of a fighting team the FIRST TEAM It is a memory of combat no doubt it is imperfect as all memory is but nonetheless it is real for those who were there for those who can fill in the inevitable gaps

the Vietnam War mesh exactly with what Michael Norman wrote in his book These Good Men Friendships Forged From War even though Norman's heroes served in the U S Marine Corps and mine served in the First Air Cav In recalling his tour in Vietnam Norman wrote I did not pick these men They were delivered by fate and the U S Marine Corps But I know them in a way I know no other men I have never since given anyone such trust They were willing to guard something more precious than my life They would have carried my reputation the memory of me It was part of the bargain we all made the reason we were so willing to die for one another 1st Air Cavalry Division ,2020 1st Cavalry Division Herbert C.
