## **1st Things 1st:**

**1st Things 1st** John Rodgers, 2015-08-25 1st Things 1st is a tad different than most books and programs related to the Law of Attraction LOA as it does not promise results and wild expectations but informs the reader that the efficacy of the LOA is undeniable. Intentional execution is the most elusive undertaking we can dare to attempt. While the philosophy is simple and the performance practically unconscious, there are prerequisites that need to be in place to allow the purposeful unfoldment of desire. These requirements are nothing more than what most religious leaders preach from the pulpit every Sunday. John attempts to show an unmistakable congruence between the teachings of Christ and the New Age philosophy of oneness LOA. This is all presented with no promises or expectations and the humble disclaimer of the struggles the author himself experiences with his journey daily. This is the LOA unedited, real and down to earth. **First Things First** Stephen R. Covey, A. Roger Merrill, Rebecca R. Merrill, 2015-07-14 The New York Times bestselling time management book from the author of The 7 Habits of Highly Effective People. Stephen R. Covey is the hottest self-improvement consultant to hit US business since Dale Carnegie. USA Today: Covey has reached the apex with First Things First. This is an important work. I can't think of anyone who wouldn't be helped by reading it. Larry King CNN: These goals embody a perfect balance of the mental, the physical, the spiritual, and the social. Booklist: Readers should note that this ebook edition differs slightly from the print edition and does not contain all the same materials. **First Things First** Ken Kamau, 2016-06-14 If you want to be a blessing to the kingdom, you have to get the basics right. As the young Ken Kamau devoured books on leadership, he became increasingly aware that they were written by and for people who were way ahead of where he was in his life and ministry. He needed to know how one begins to be a leader, not how one continues to lead a large and successful ministry. First Things First deals with spiritual and practical issues you need to address in the early days of leadership, before the spotlight is on you. Ken writes with humour about learning from mistakes and successes, how to lead as well as how to be led, and how to do it all while building a strong team at home and in the church, even if you don't have a strong budget. This book will speak to pastors and to anyone who wants to live for God. Whether we lead in the church or in the marketplace, we need to make sure we get the basics right. **First Things First** Tom Iselin, 2011-06 All proceeds 100% from the sale of First Things First go to hunger relief organizations and organizations that rehabilitate
