## **2 Thessalonians Facing The End With Sobriety:**

2 Thessalonians Maarten J.J. Menken, 2002-01-04 In this lucid expose the second letter to the Thessalonians is approached from a historical perspective The letter is read as part of a process of communication between its sender and the original addressees making it accessible to the modern reader 2 Thessalonians includes a translation of the short Greek text an historical examination of the letter s genre authorship and religious milieu an introduction to apocalyptic eschatology and an extensive commentary on the letter Maarten Menken s book will appeal to theologians ministers of religion students of theology and all those interested in biblical studies

**From Hope to Despair in Thessalonica** Colin R. Nicholl, 2004-03-04 This ground breaking analysis cuts to the heart of the critical debate surrounding the two Thessalonian Epistles Colin R Nicholl examines the situations giving rise to each Letter with a view to determining how the two relate historically His book presents an original and compelling hypothesis arguing that reflected in the Letters are two stages of a single crisis plaguing a recently formed Greek Church which spiralled from hope into despair on account of confusion about the end In addition to making a fresh case for the authenticity of 2 Thessalonians and resolving one of the most difficult problems in the Bible the identity of the Restrainer this monograph is a comprehensive analysis of the Thessalonian Epistles It will provide an indispensable resource for scholars and pastors interested in the Thessalonian correspondence

**An Annotated Bibliography of 1 and 2 Thessalonians** Weima, Stanley E. Porter, 2019-07-01 This bibliography lists some 1300 works germane for the interpretation of 1 and 2 Thessalonians It includes all relevant works written in the 20th century as well as a sizeable number of important sources from the 19th century Virtually all the works listed are annotated except for commentaries and dictionary articles These annotations do not merely describe the content of each source but attempt to summarize its central thesis or argument The works listed are classified and cross indexed in such a way that the user is able to track down easily the relevant sources on any given topic or passage in the Thessalonian letters

**Desire in Paul's Undisputed Epistles** Andrew Bowden, 2020-12-18 In this study Andrew Bowden analyzes Paul s use of desire and in his undisputed epistles After introducing critical research on these lexemes the author applies John Lyons s theory of semantic analysis to the use of in Roman imperial texts Based on these observations he makes a hypothesis concerning the common co occurrences of desire in Roman imperial texts its antonyms the objects it longs for and its use within metaphorical discourse This hypothesis is then tested by looking at the use of desire in Dio Chrysostom Epictetus Lucian of Samosata the Cynic epistles and Second Temple Jewish texts Andrew Bowden illustrates how contrary to the view of many scholars these Roman imperial authors consistently mention positive objects of desire He then applies these findings concerning desire to Paul yielding important and sometimes unexpected discoveries

**Sacra Pagina: First and Second Thessalonians** Earl J. Richard, 2021-03-04 The letters First and Second Thessalonians are traditionally associated with the Pauline foundation of the Macedonian Church at Thessalonica The first is seen as representing Paul s earliest epistolary efforts and as providing two

successive moments in his long relationship as advisor to that community Soon after leaving the area for the southern province of Achaia Paul addresses the concerns of the new Gentile converts and at a later period responds more directly to queries received from the thriving and successful community The second document written in Paul s name and at a later date attempts to calm the apocalyptic fervor of the community by reiterating its traditional eschatological and Christological teaching After treating these introductory matters this study provides a new translation of each section of the canonical text explains in notes the pertinent textual and linguistic features of the text and then offers in a series of interpretive messages a literary rhetorical and thematic analysis of the biblical documents The constant concern of this commentary is to provide assistance to modern readers in discerning the relationship between the authors and their intended readers Short bibliographies suggest other important modern studies

### **From Judaism to Christianity: Tradition and Transition**

Patricia Walters,2010-09-24 The striving of Hellenistic Judaism to lay claim to its own epoch and the struggle of early Christianity to ground its pluriform beliefs in that same world represent the governing themes of this volume dedicated to Thomas H Tobin S J *Annotated Bibliography of First and Second Thessalonians* Jeffrey Alan David Weima,Stanley E. Porter,1998 This bibliography lists some 1300 works most of which are annotated that are germane for the interpretation of 1 and 2 Thessalonians It includes all relevant works written in the 20th century as well as a sizeable number of important sources from the 19th century *1 and 2 Thessalonians* Ben Witherington,2006-11-02 Paul s two letters to the Thessalonians stand as some of the very earliest Christian documents yet they appear well into Paul s missionary career giving them a unique context well worth exploring In this first full scale socio rhetorical commentary on 1 and 2 Thessalonians Ben Witherington gleans fresh insight from reading Paul s text in the light of rhetorical concerns and patterns early Jewish theology and the first century historical situation in Macedonia Witherington s distinctive socio rhetorical approach helps unearth insights that would otherwise remain hidden using only form criticism epistolary categories and traditional criticism Witherington details Thessalonica s place as the metropolis of Macedonia and he carefully unpacks the social situation of Paul and his recipients Scholars will appreciate the careful analysis and rhetorical insights contained here while Witherington s clear prose and sensitivity to Paul s ideas make this work ideal for all who desire a useful readable commentary on 1 and 2 Thessalonians

### **New Testament Rhetoric, Second Edition** Ben Witherington,Jason A.

Myers,2022-09-28 Witherington and Myers provide a much needed introduction to the ancient art of persuasion and its use within the various New Testament documents More than just an exploration of the use of the ancient rhetorical tools and devices this guide introduces the reader to all that went into convincing an audience about some subject Witherington and Myers make the case that rhetorical criticism is a more fruitful approach to the NT epistles than the oft employed approaches of literary and discourse criticism Familiarity with the art of rhetoric also helps the reader explore non epistolary genres In addition to the general introduction to rhetorical criticism the book guides readers through the many and varied uses of

rhetoric in most NT documents not only telling readers about rhetoric in the NT but showing them the way it was employed This brief guide book is intended to provide the reader with an entrance into understanding the rhetorical analysis of various parts of the NT the value such studies bring for understanding what is being proclaimed and defended in the NT and how Christ is presented in ways that would be considered persuasive in antiquity from the introduction **Patience—A**

**Theological Exploration** Paul Dafydd Jones,2022-11-17 What does it mean to exercise patience What does it mean to endure to wait and to persevere and on other occasions to reject patience in favor of resistance haste and disruptive action And what might it mean to describe God as patient Might patience play a leading role in a Christian account of God s creative work God s relationship to ancient Israel God s governance of history and God s saving activity The first instalment of Patience A Theological Exploration engages these questions in searching imaginative and sometimes surprising ways Following reflections on the biblical witness and the nature of constructive theological inquiry its interpretative chapters engage landmark works by a number of ancient medieval modern and contemporary authors disclosing both the promise and peril of talk about patience Patience stands at the center of this innovative account of God s creative work God s relationship with ancient Israel creaturely sin scripture and God s broader providential and salvific purposes **God's Glory in**

**Salvation through Judgment** James M. Hamilton Jr.,2010-11-04 In Exodus 34 Moses asks to see God s glory and God reveals himself as a God who is merciful and just James Hamilton Jr contends that from this passage comes a biblical theology that unites the meta narrative of Scripture under one central theme God s glory in salvation through judgment Hamilton begins in the Old Testament by showing that Israel was saved through God s judgment on the Egyptians and the Caananites God was glorified through both his judgment and mercy accorded in salvation to Israel The New Testament unfolds the ultimate display of God s glory in justice and mercy as it was God s righteous judgment shown on the cross that brought us salvation God s glory in salvation through judgment will be shown at the end of time when Christ returns to judge his enemies and save all who have called on his name Hamilton moves through the Bible book by book showing that there is one theological center to the whole Bible The volume s systematic method and scope make it a unique resource for pastors professors and students **Elenchus of Biblica** Robert North,1997 The Gospel of Matthew Watson E. **Subject Guide to Books in Print**, 1997 **The Comprehensive Unabridged Henry's Commentary on the New Testament ...** Matthew Henry, 1870 [Paul's Message and Ministry in Covenant Perspective](#) Scott J. Hafemann, 2015-01-22 The essays presented here represent over twenty five years of thinking about the theology and life of the Apostle Paul who as a slave of Jesus Christ Rom 1 1 was a servant of the new covenant with a ministry of the Spirit 2 Cor 3 6 8 Taking the questions raised by the history of scholarship since F C Baur as their starting point Hafemann's exegetical studies focus on how Paul's self understanding shaped his message the motivations of his ministry and his consequent call to suffer for the sake of his churches Hafemann's work reveals that Paul's views of redemption of his own redemptive mission and of the life of the redeemed derived from his eschatological conviction that the purpose of the new covenant realities inaugurated by the Christ is to prepare for their promised consummation when Christ returns to judge the world
