Crafting Qualitative Research Working In The Postpositivist Traditions:

Crafting Qualitative Research: Working in the Postpositivist Traditions Pushkala Prasad, 2015-02-24 Courses in management research have traditionally focused on quantitative techniques and no available text adequately covers the many different perspectives within the qualitative model or shows which qualitative techniques work best in different settings *Crafting Qualitative Research* fills this need In clear and readable prose this comprehensive text offers a detailed guide to the rich diversity of qualitative research traditions with examples and applications specifically designed for the field of management Each of the book's four main sections includes a descriptive tree diagram that lays out the historical origins of that section's traditions Each chapter is devoted to a specific methodology and includes historical origins and development techniques and applications current controversies and emerging issues and a summary box highlighting that method's utility With its detailed and easy to understand coverage this will be the text of choice for any instructor who wants to include the qualitative approach in a research methods course as well as a useful resource for anyone doing research in the post positivist traditions

The Handbook of Organizing Economic, Ecological and Societal Transformation Elke Weik, Chris Land, Ronald Hartz, 2024-08-19 This handbook gathers contributors from different disciplines of the social sciences such as organization and management studies sociology anthropology and political science to constructively discuss the kinds of transformations we need to see in coming years These transformations concern the way we work produce and consume but also the way in which we think about work production and consumption In an explicit rejection of the demand that the social sciences provide quick fixes the contributors of this handbook discuss possible solutions in a critical and comprehensive manner and with an eye to both their environmental and societal implications The handbook is divided into four parts Opening up futures Techno economic transformations at work Sustainable environmental transformation and Radical democratic futures The handbook is of interest to all critical academics interested in constructive suggestions regarding necessary societal transformations

Informality in Policymaking Lindsey Garner-Knapp, Joanna Mason, Tamara Mulherin, E. Lianne Visser, 2024-12-03 This book contains an Open Access chapter In unveiling the realities of how policy is made this deeply meaningful and thoughtfully constructed collection argues that the formal is only part of the story of policymaking and thus only part of the solutions it seeks to create

Social and Sustainable Entrepreneurship G. Thomas Lumpkin, Jerome A. Katz, 2011-07-25 Considers the issues of social and sustainable entrepreneurship This title tackles lingering definitional issues such as the distinctions between social sustainable and environmental entrepreneurship or proposes social entrepreneurship research agendas based on key research questions found in prior studies

The Handbook of Transformative Learning Edward W. Taylor, Patricia Cranton, 2012-04-06 The Handbook of Transformative Learning The leading resource for the field this handbook provides a comprehensive and critical review of more than three decades of theory development research and practice in transformative learning The starting place for understanding and

fostering transformative learning as well as diving deeper the volume distinguishes transformative learning from other forms of learning explores future perspectives and is designed for scholars students and practitioners PRAISE FOR THE HANDBOOK OF TRANSFORMATIVE LEARNING This book will be of inestimable value to students and scholars of learning irrespective of whether or not their emphasis is on transformative learning It should find its way to the reference bookshelves of every academic library focusing on education teaching learning or the care professions PETER JARVIS professor of continuing education University of Surrey Can there be a coherent theory of transformative learning Perhaps This handbook goes a long way to answering this question by offering a kaleidoscope of perspectives including non Western that consider the meaning and practice of transformative learning SHAUNA BUTTERWICK associate professor University of British Columbia This handbook will be valuable and accessible to both scholars and practitioners who are new to the study of adult education and transformative learning and to more seasoned scholars who seek a sophisticated analysis of the state of transformative learning thirty years after Mezirow first shared his version of a then fledgling theory of adult learning JOVITA ROSS GORDON professor and program coordinator MA in Adult Education Texas State University *Absent Aviators* Donna Bridges, Jane Neal-Smith, Albert Mills, 2016-03-16 The objective of this book is to present a number of related chapters on the subject of gender issues in the workplace of the aviation industry More specifically the chapters address the continuing shortfall in the number of women pilots in both civilian and military aviation Considerable research has been carried out on gender issues in the workplace and for example women represent about 10% of employees in engineering This example is often used to show that the consequences of gender discrimination are embedded and difficult to overcome in masculine dominated occupations However women represent only 5 6% of the profession of pilot Clearly there are many factors which mitigate women seeking to become pilots The chapters within this volume raise both theoretical and practical issues endeavouring to address the imbalance of women pilots in this occupation *Absent Aviators* consolidates a diverse range of issues from a number of authors from Australia Austria the United States Canada South Africa and the United Kingdom Each of the chapters is research based and aims to present a broad picture of gender issues in aviation gendered workplaces and sociology underpinned by sound theoretical perspectives and methodologies One chapter additionally raises issues on the historical exclusion of race from an airline The book will prove to be a valuable contribution to the debates on women in masculine oriented occupations and a practical guide for the aviation industry to help overcome the looming shortfall of pilots It is also hoped it will directly encourage young women to identify and overcome the barriers to becoming a civilian or military pilot **Critical Social Challenges in the Tourism Industry: Labor, Commodification, and Drugs** Çıvak, Barış, Bayraktaroğlu, Engin, 2023-09-25 *Critical Social Challenges in the Tourism Industry* Labor Gentrification and Drugs is a groundbreaking book that delves into the often overlooked critical issues within the field of tourism The book adopts a critical perspective shedding light on power relations domination and oppression within the tourism industry By exposing

these dynamics the critical paradigm seeks to liberate both tourist destinations and employees from exploitative conditions From examining the social and environmental effects of tourism to addressing critical topics such as gentrification consumerism commodification and critical pedagogy this comprehensive study offers a fresh and thought provoking analysis of the field With a focus on labor transformation the formation of the working class and the employment of women children and immigrants the book uncovers the intricate labor processes and interactions within the tourism industry Furthermore it explores important aspects such as tourist employee interaction LGBT tourism illegal sex tourism and the use of drugs and psychedelics in the context of tourist mobility This book is ideal for researchers and students in the field of tourism offering a comprehensive examination of critical issues within the industry Governance, Resistance and the Post-Colonial State Jonathan Murphy, Nimruji Jammulamadaka, 2017-07-14 The manifestation of the colonial nation state as a legal bureaucratic police structure an exploitation tool undermined customary modes of governance in colonies When post World War II independence of colonies transferred ownership of the state structure to the colonized elite electoral and civil society politics battled for capture of this post colonial state Meanwhile the state was also forced to build its legitimacy in the face of customary governance practices seeking rehabilitation and decolonization in the midst of civil wars and strife This state building social movement was further complicated with the global spread of neoliberalism and neocolonialism and herein lies the significant difference between the post colonial nation state and the Western nation states This book fills the gap in literature and argues that it is necessary to foreground discussions of the nature of the post colonial nation state in examining resistance and provides a window into the dynamics of the post colonial state and its implication in everyday organizing and resistance *Contesting Institutional Hegemony in Today's Business Schools* Ajneesh Prasad, 2016-09-05 This book brings together a group of critically orientated early career researchers from global business schools to investigate a series of timely questions pertaining to the impact that institutional pressures have on junior academics particularly those who conduct critical or non mainstream research **New Directions in Postheroic Entrepreneurship** Caroline Essers, 2009 This book contributes to studies of entrepreneurship where usually an archetypical entrepreneur is constructed being white male and non Muslim Literature on female entrepreneurship and migrant entrepreneurship which highlight the importance of ethnicity and gender are typically ignored The application of intersectionality theory or illustrating what happens at the cross roads of gender and ethnicity within entrepreneurial settings is therefore new within entrepreneurship literature The book reveals how sustaining their entrepreneurial identities while overcoming the tensions emerging at the junction of these two categories of social exclusion makes these women post heroic entrepreneurs *A Guide to Discursive Organizational Psychology* Chris Steyaert, Julia Nentwich, Patrizia Hoyer, 2016-11-25 This book offers a lively illustration of the dynamic relationship between discourse and organizational psychology Contributions include empirically rich discussions of both traditional and widely studied topics such as resistance to change inclusion and exclusion participation multi

stakeholder collaboration and diversity management as well as newer research areas such as language negotiations work time arrangements technology development and change as intervention
