Crafts Of The Highlands And Islands:

Crafts of the Highlands and Islands John Manners, 1978-01-01 **Craft Entrepreneurship** Annette Naudin, Karen Patel, 2020-12-10 Craft practice has experienced a sharp rise in popularity since the late 2000s partly through the aura of the analogue and the desire for authentic handmade products in an increasingly fast paced digitalised world Luckman 2015 but also because of digital platforms such as Etsy and social media enabling anyone to become a craft entrepreneur This book brings together historical policy and individual narratives to inform a broad understanding of craft entrepreneurship Drawing on case studies from around the world Craft Entrepreneurship considers questions of identity community and the digital in craft entrepreneurship In doing so it finds craft activities to be positioned between or across the arts heritage notions of a bohemian lifestyle and the challenges of micro entrepreneurship By engaging with the contradictions and fragility of sustaining a craft practice the chapters in this book contribute to different perspectives for entrepreneurship studies The contributions to this volume illustrate the craft entrepreneurs identity motivation and sense of creative purpose through their craft as these collide with the tensions brought about through entrepreneurship *Chambers Guide to Traditional Crafts of Scotland* Jenny Carter, Janet Rae, 1988 **The Geographer's Craft** Thomas Walter Freeman, [Craft Shaping Society](#) Lindy Joubert, 2022-05-31 This book focusses on the role of craft as a continuing cultural practice and the revival of disappearing skills in contemporary society It includes twenty five essays by highly regarded artisans academics technologists entrepreneurs businesspeople curators and researchers from many countries representing a wide range of global craft traditions and innovations The authors explain their professional practices and creative pathways with knowledge experience and passion They offer insightful analyses of their traditions within their culture and in the marketplace alongside the evolution of technology as it adapts to support experimentation and business strategies They write about teaching and research informing their practice and they explain the importance of their tools and materials in function and form of the objects they make The essays reveal a poignant expression of their successes disappointments and opportunities This book offers case studies of how artisans have harnessed the traditions of the past alongside the latest design technologies The authors reveal how global craft is not only a vehicle for self expression and creativity but also for being deeply relevant to the world of work community and environmental sustainability The book makes the vital link between skills knowledge education and employment and fills a much needed niche in Technical Vocational Education and Training TVET **Mooring Systems for Recreational Craft** International Navigation Association. Recreational Navigation Commission. Working Group 10, 2002 *Skye and Outer Hebrides Focus Guide* Alan Murphy, 2014 This title provides information on the best attractions and sites that Skye and the Outer Hebrides have to offer **Essays on lone trips, mountain-craft and other hill topics** Adam Watson, 2016-05-04 This book begins with a thought provoking article now reprinted criticising the increasing influence of politically correct organisations and politicians who desire to control freewill

and mountaineering Then comes a chapter with a critique of several writers on the Cairngorms in comparison with the original Seton Gordon After the author published a review in 1977 on The wildlife potential of the Cairngorms region he came under unwarranted attack by two influential private landowners who misrepresented what he wrote and even included a threat A wider public should be aware of this There follows an essay on biologist Professor Vero C Wynne Edwards and another on the history of the research station near Banchory established for studying at first red grouse and then ecological problems of mountain moorland woodland and fresh water The last chapter the most important one and occupying a third of the book gives the author s lifetime view of the value of lone trips in climbing ski mountaineering and mountain craft
