Crafts Customs And Legends Of Wales:

Crafts, Customs, and Legends of Wales Mary Corbett Harris,1980 **British Sources of Information P.**

Jackson,2003-09-02 This comprehensive and versatile reference source will be a most important tool for anyone wishing to seek out information on virtually any aspect of British affairs life and culture The resources of a detailed bibliography directory and journals listing are combined in this single volume forming a unique guide to a multitude of diverse topics British politics government society literature thought arts economics history and geography Academic subjects as taught in British colleges and universities are covered with extensive reading lists of books and journals and sources of information for each discipline making this an invaluable manual *Great Legends of Wales* Ronald Barnes,1991 These ten original tales some dating from the 11th century have been painstakingly unearthed and written some are published here for the first time

Stars and Ribbons Rhiannon Ifans,2022-02-15 Wassail songs are part of Welsh folk culture but what exactly are they

When are they sung Why And where do stars and pretty ribbons fit in This study addresses these questions identifying and discussing the various forms of winter wassailing found in Wales in times past and present It focuses specifically on the Welsh poetry written over the centuries at the celebration of several rituals most particularly at Christmas the turn of the year and on Twelfth Night which served a distinct purpose The winter wassailing aspired to improve the quality of the earth s fertility in three specific spheres the productivity of the land the animal kingdom and the human race This volume provides a rich collection of Welsh songs in their original language translated into English for the first time and with musical notation It also provides a comprehensive analysis of these poems and of the society in which they were sung Cracker Culture Grady

McWhiney,1988 A study of social life in the Old South which attempts to account for the differences between the South and the North by looking to the Celtic ancestry of many of the Southern settlers Hunting the Wren Elizabeth Atwood

Lawrence,1997 A unique interdisciplinary study this book examines the British and European tradition of the wren hunt in which a bird ordinarily revered and protected for most of the year was killed around the time of the annual solstice In focusing on this ancient ritual Elizabeth Atwood Lawrence draws on her training in cultural anthropology and biology to cast a fresh light on the complexities of human animal relationships Following an introductory chapter on animal symbolism Lawrence proceeds in subsequent chapters to describe the wren both as a biological entity and as the subject of numerous tales and legends to delineate the details of the wren hunt ceremony and the various meanings ascribed to it and finally to relate the ceremony to important contemporary issues in human animal interactions and current attitudes toward the living environment Whereas most other studies tend to concentrate solely on human perceptions of animals and fail to include the animal s role in the relationship Lawrence s approach shows how the participation of both animal and human determines the symbolic status of the animal which in turn influences the treatment of that animal within a particular society At a time when human destructiveness toward nature has reached tragic proportions Lawrence contends it is critical that we understand the

processes by which certain cultural beliefs in combination with observations about the natural history of a particular animal result in emotional and mental responses that may ultimately determine the fate of that species The author argues persuasively that the wren hunt with its ancient roots associated beliefs and complex meanings in the preindustrialized world still has much to teach us

The Form and Function of Ritual Dialogue in the Marriage Traditions of Celtic-language Cultures Neill Martin, 2007 Examines the form and function of ritual dialogue in marriage traditions paying attention to the betrothal ceremony or reiteach in Gaelic Scotland along with analogues in Brittany and Wales This work also explores the relationship between the ritual dialogues and traditions such as flyting and bardic contest
