Casino Craps Frank Scoblete,2010-05 The most comprehensive craps book ever written this is the book that gives readers everything needed to get a real verifiable edge at the game of craps The authors two of the greatest living dice controllers share in words and pictures their secret Golden Touch technique and give the edge needed to beat the house Readers will learn several keys to winner craps including how the game is really played how to develop a Golden Touch controlled throw which are the best and worst bets and buy bets how to reduce the hit of the house edge by using the five

count how to push the casino to give a better game than advertised how to set the dice to reduce or increase the appearance of different numbers and how to judge what a real edge means **Casino Craps** Robert R. Roto, 2016-06-21 Of all the games in the casino only one allows the player to engage the house in a fair fight Craps when played intelligently and prudently reduces the house advantage to a miniscule 6 percent a margin that can be overcome with smart betting and simple money management How could casinos afford to offer such a winnable game What's the catch For players willing to devote a little time and patience learning the ins and outs there is no catch Here is the most comprehensive expert and reader friendly guide to casino craps ever written Robert R Roto a documented lifetime winner has dissected the odds like a surgeon and formulated several systems of variable risk and aggressiveness all guaranteed to maximize the player's chances of winning Whether you are betting with 5 or 1 000 chips whether you play right or wrong whether your strategy is to come in on the Pass line and then switch to Don't Pass or you employ the just did do that session rule Roto will teach you how to milk the casino odds for every percentage point possible Too many players refuse to learn the nuances of the game insisting instead on fattening the casino's bankroll Wouldn't you rather join the author in the winners club **Winning Gambling**

Strategies Philip Nehrt, 2012-02-08 Dedicated research on other systems and personal experimentation has turned a handful of notes into a comprehensive collection of potentially winning strategies First and foremost it is important to understanding that there is no winning system that can beat the mathematical odds that the casino has against a player However this book teaches you strategies to follow while in the casino giving you a large amount of information to help you walk out a winner These tips can benefit players of all experience levels You will learn to think how the casino thinks and avoid the traps they set for every player Inside you will find the general rules for each of the main games tips on how to approach a table what to say to the dealers how to handle your money and especially a broad range of specific strategies or systems for each of the games covered This book makes the game and strategy information easy to understand and follow as well as fun and enjoyable to read with a bit of irreverent humor sprinkled throughout **Playing Blackjack to Win** Four

Horseman, 2013-09-26 This new edition of the rarest and most influential blackjack book in the history of the game brings together the most famous contributors in the game Privately published in 1957 in an extremely limited quantity this was the first book ever to print the correct winning strategies for the game of blackjack This instant collector's item includes a foreword by blackjack legend Edward O Thorp whose best selling classic Beat the Dealer which relied on the original Playing Blackjack to Win changed the public's perception of 21 forever plus an introduction and additional material from Arnold Snyder Blackbelt in Blackjack Big Book of Blackjack along with new material from the authors **Craps** Will Thomas, Jr., 2017-01-25 CRAPS THE ULTIMATE WINNING STRATEGIES was brilliantly written after years of defining analyzing and establishing illustrating criteria for effectiveness at the table In its simplest form author and expert Will Thomas Jr reveals detailed strategies on combinations odds basic table layout game knowledge money management table survey determining

risk levels coming out strategy basic strategy ultimate strategy and knowing when to walk away Will Thomas on Craps The Ultimate Winning Strategies In order to become a winner and beat the casinos at their game you have to become a student of the game Practice practice and practice again my strategies for success and no longer feel intimidated by casinos Trust me Luck has nothing to do with winning in this game called Craps It s how you prepare approach and execute my winning strategies Please keep in mind that most books on Craps teach you the language rules how to play and some strategies for losing more often than winning Even the basic table layout is 90% camouflage and filled with losing proposition bets My book will focus on the remaining 10% and how you can maximize your bets I will be covering most of those concerns from a slightly different perspective My main objective of this book is to share with my reader s years of ups and downs of competing with the casinos and what I believe to have discovered the ultimate winning strategies that you too can use to start recuperating some of your losses and become a force to be reckoned with As a retired documentation control specialist for manufacturers Aerospace Department of Defense and the semiconductor industry I ve applied these skills and perspectives to create a winning matrix in Craps The Ultimate Winning Strategies Prior to completing my ultimate winning strategies the casinos would win every single time Some call it donating or paying my dues My wife and friends called me stupid for wasting time and giving the casinos my hard earned cash By learning and applying Craps The Ultimate Winning Strategies you ll be prepared to recognize the constantly changing table conditions and know when to walk away I ve learned over the years that one thing is for sure your numbers will come up The trick is knowing when it s all about consistency how well you prepare and making the right choices to becomes As Good As Any and Better Than Most Knowing when to walk away gives you time to re evaluate your strategies it gives you a chance to recognize that the dice are not in your favor at this time You ve tested the waters and it s just not your time It s very similar to any professional sport you have to let the game come to you And believe me you will know when it s your turn to burn Respect the game for what it is and you can t change its primary function for winning You can only change your own prospects for winning by applying Craps The Ultimate Winning Strategies and by mastering my strategies the game in turn will ultimately treat you accordingly That is As Good As Any and Better Than Most Winning Craps For The Serious Player, 3rd Edition J. Edward Allen,2002-06-04 Updated and revised this is the bible for both beginning and serious craps players in essence a complete course on how to play and win at craps Readers learn how and when bets can be placed the chances of these bets winning and the odds and payoffs involved
