**Straight White Male** John Niven, 2014-10-07 From the bestselling author of Kill Your Friends a wildly funny look at the midlife crisis of a loveable rogue A high octane novel of excess Ian Rankin Irish novelist Kennedy Marr is a first rate bad boy

When he is not earning a fortune as one of Hollywood's most sought after scriptwriters he is drinking, insulting and philandering his way through Los Angeles successfully debunking the myth that men are unable to multitask. He is loved by many women but loathed by even more including ex-wives on both sides of the pond. Kennedy's appetite for trouble is insatiable but when he discovers that he owes 1.4 million dollars in back taxes it seems his outrageous hedonistic lifestyle may not be as sustainable as he thought. Forced to accept a teaching position at sleepy Deeping University where his ex-wife and teenaged daughter now reside, Kennedy returns to England with a paper trail of tabloid headlines and scorned starlets hot on his bespoke heels. However, as he acclimatizes to the quaint campus, Kennedy is forced to reconsider his laddish lifestyle. Incredible as it may seem, there might actually be a father and a teacher lurking inside this preening narcissistic priapic sociopath. A sharp and knowing satire of the film industry, publishing and academia. *The Guardian*

**Manure - The Good that Comes from All that Crap!** Judy Yvonne Mullinax, 2023-01-16 About the Book Feeling unhappy in her life, author Judy Yvonne Mullinax knew she had to make some changes. She knew the only way to make things better was to actively do something. Leaving old unhealthy relationships standing up for herself and trusting in a loving and forgiving God, Judy started on her new path in her personal journey of self-discovery. The author gives personal advice on love, spirituality, family and life in this debut self-help book that is worth the time of those who wish to change their way of thinking. Every reader is in for some laughs as well as some tears. About the Author Judy Yvonne Mullinax is from Tallahassee, Florida. At a very young age while listening to her family discussing someone going to hell if they don't change, Judy remembers God speaking to her in a kind, loving voice saying, "don't listen to that; that's not who I am." She's been defending God ever since.

*Bella and the Summer Fling* Amy Sparling, I can't get Liam Mosely off my mind. Sure, he's about to become the next hottest thing in the world of professional motocross and he won't have time for me anymore, but that doesn't start until the summer is over. For now, he's living here in Roca Springs, Texas, with the entire summer free. I might have hated him when we first met, but lately, he's become my crush and my best friend. This is my last summer before college. It should be fun. It should be carefree. That's why I suggested that Liam and I have a summer fling. No strings attached and it'll be over at the end of summer. Easy, Peasy. Or so I thought. *Bella and the Summer Fling* is the second book in the Love on the Track Series, a clean, sweet young adult romance.

**Courage to Deal with the Crap** Judith Delp Moliterno, 2025-02-25 As the introduction expresses, "Let's be honest: sometimes life sucks. The circumstances we find ourselves facing can seem daunting, overwhelming, and at times unfair. We wonder what we have done to deserve the feelings or circumstances we are experiencing. We sometimes feel as if day-to-day survival is an exhausting struggle. How are we supposed to cope, let alone live? Is there really hope for a decent existence as we meander through this life with its challenges? How can we make any sense out of our messy predicaments?" Using her personal trials, losses, physical and emotional suffering, the author discusses grieving, processing loss and pain. The primary message of the book is: in the midst of our messes, there is hope. Personal stories of frustration, desperation, and how the

author found hope and purpose provide the reader with several examples of crappy situations and the courage required to face them This book examines teachings by many Christians that often trigger confusion The author shares her walk through the valleys of questions and her quest for truth She examines many questions from those with whom she has provided emotional support Most importantly she offers hope and steps to healing for those who are hurting She shares practical ways to live with daily challenges and struggles The author discusses how she found purpose in the midst of her pain The most exciting truth the journey no matter how much crap it contains does not need to be traveled alone An honest and motivating look at navigating life s challenges Moliterno s *Courage to Deal with the Crap* offers a refreshingly candid take on overcoming life s inevitable obstacles We all face difficulties and this book equips readers with the tools they need to turn those challenges into opportunities for growth Written with humor faith and a message of hope this book empowers readers to push through tough times and reach their full potential Rev Chuck Balsamo PhD *Crap Days Out* Gareth Rubin,2011-10-27

Gareth Rubin had the idea for this book after a horrific date with a Polish girl during which she attempted to engage a Russian couple in a fist fight He writes for a number of newspapers including the Observer Express Telegraph and Mail on Sunday about travel property the arts and personal finance He recently completed his first novel All Honourable Men Jon Parker is a freelance journalist published in the Guardian The Times Independent and Telegraph as well as writing for television news He got involved with this book after trekking all the way to Stonehenge to find it s hardly bigger than the one in Spinal Tap Bloody Druids **Roughly Thrown Dice** Steve Borst,2023-06-07

About the Book At a high end ski resort a group of tourists is captured in a terrorist attack As they are locked in a back room the group begins to pass the time by sharing tales of their lives Through a series of short stories each person spins a tale of betrayal unusual occurrences romance and morality Filled with humor Roughly Thrown Dice blends two stories into one a tale of a daring rescue and a tale of those trapped inside About the Author Steve Borst is a retired biomedical scientist and professor living in Gainesville Florida He and his wife Michele have two grown sons *Fatherhood and Masculinities* Catherine Gallais,2023-08-09 Based on novel ethnographic research conducted in New York City this book explores through the lens of intersectionality how gender impacts men s experiences of full time fatherhood as well as how sexuality race class faith and so on result in unequal access to choices and opportunities as parents Chapters analyze how perspectives on caregiving are complicated by varying cultural gendered and racialized stereotypes and representations that pull different fathers toward or push them away from particular models of fatherhood in an urban context Additionally the author interrogates how societal conceptions of men s bodies also play a role in how men understand their experiences of fatherhood This book will be of interest to scholars and students studying gender masculinity and fatherhood **Childhood Sexual Experiences** Sally Hunter,Paul

Woodmansey,2018-04-19 The issue of Childhood Sexual Experiences CSEs is highly controversial and has generated considerable disagreement and conflict Such experiences are often framed as child sexual abuse CSA within a discourse of

child maltreatment Sexual activity between adults and young children is indeed abuse and fully merits the moral stance taken by therapists health professionals and society However Childhood Sexual Experiences presents evidence that viewing all CSEs through the same prism of abuse victimhood and commonly held perceptions of gender socialisation may not always allow those affected to tell the whole story Not all those who experienced sexual activity as children view themselves as victims believe that their experiences had a profoundly or irrevocably negative impact on their lives or view their experiences as abusive Others do not want their identities to be linked to specific events in childhood Applying a positive psychology approach Childhood Sexual Experiences recounts and explores the stories of those who have shown an ability to come to terms with or overcome the difficulties that they have faced exploring the insights these narratives of resilience present to therapists and health and social care professionals I would encourage you to read this book with an open mind and to look for the strength and determination to be found in these narratives remembering that those who are resilient may teach us how better to help those who are less fortunate Sally V

annoyingly distant at the same time Rachel's idyllic marriage however is imploding after she discovers her husband sexting with a colleague. She always thought she'd walk away in this situation but her triplet daughters have her reconsidering her stance on adultery. Much to Jenny's surprise Rachel points to their parents' perfect marriage as a shining example of patience and forgiveness but to protect her sister Jenny may have to tarnish that memory and their relationship and reveal a family secret she's been keeping since childhood. Both Rachel and Jenny will have to come to terms with the past and the present and find a way to get what they want most of all.

**Help! My Family's Messed Up** Emily Parke Chase, Provides guidance to teenagers dealing with issues such as abuse addiction adoption death and divorce  
**Feeling Like Crap** Nick Luxmoore, 2008-06-15  
Feeling Like Crap explores how a young person's self is constructed and what might help that self to feel more valued and confident. It demonstrates how listening to engaging with and being respectful of young people can provide the support they need to help them repair their sense of self and offer them new possibilities and directions in life.

Organize This! Practical Tips, Green Ideas, and Ruminations About Your CRAP Vali G. Heist, 2012-04-24  
Vali G. Heist began organizing at the age of five while cleaning up her room with her older sister. She started her professional organizing business after years of being asked to organize the homes of her family and friends. Organize This! Practical Tips, Green Ideas, and Ruminations about your CRAP began as a collection of the organizing columns she wrote for a local newspaper. CRAP is Vali's acronym that means Clutter that Robs Anyone of Pleasure. The book includes numerous tips on how to organize green ways to recycle unwanted CRAP, success stories from clients, and further ruminations about CRAP. Vali helps her readers explore why they have so much CRAP in their homes, why they don't throw it out, and why they don't want to deal with it. She helps the reader answer those questions and provides practical, easy tips to organize their homes and help them live the life they really want. In addition, her book is chock full of organizing resources, is fun to read, and makes a great gift for the organized person as well as the organizationally challenged. Vali's insight helps readers learn the difference between belongings and CRAP and empowers them to discover that less is more. Her book also proposes how to live a more green life and help save the planet in the process. Her passion is to find simple, easy-to-implement ways to organize life at home and at work and pass them on to her readers. Bob Rios of Bob Rios Visual Strategies created unique cartoons for the book to illustrate the dilemmas many readers face as they organize and unclutter their lives. Bob is a graphic designer, website developer, and of course a talented illustrator who lives in Lebanon, Pennsylvania, with his wife and five children. Bob uses his creativity and design expertise to further the business goals of his clients. Through consultation and conversation, he gathers content, colors, type, illustrations, and shapes to capture and convey a company's message. You'll find his self-portrait on page 99 of the book. Donna Smallin, Certified Professional Organizer and author of Organizing Plain Simple and several other books on organization, describes Vali's book as simultaneously witty and practical. Organize This! is the intelligent person's guide to a simpler, more organized life. Look for Donna's latest eBook entitled How to Declutter and Make Money Now by Donna.

Smallin Kuper Chris Crouch is president and founder of DME Training and Consulting author of several books on improving productivity and developer of the GO System training course He describes Vali s book Stuff or as Vali calls it CRAP can and will easily find its way into your life The challenge is to limit the inflow and purge the unnecessary items that somehow remain stuck in your environment Vali s insightful book will help you accomplish those two life changing goals Chris continues to research and study both the mental and physical aspects of living a more joyful and productive life and pass them on to his readers Debbie Lillard Certified Professional Organizer and author of Absolutely Organize Your Family and Absolutely Organized A Mom s Guide describes Vali s book Vali writes with an environmentally responsible attitude towards ridding the world of CRAP She understands the causes of disorganization leaves judgment at the doorstep and jumps right in to tackle the problems Her resources are valuable this is a book you ll want to recycle and reuse again and again Debbie owns an organizing business in Broomall Pennsylvania and shares her expert advice on various media channels Vali wants readers to know that the goal of organizing isn t to have a perfect Better Homes and Garden house hers isn t but rather to provide order to enjoy the space you have handle the tough times with grace and aspire to live the best life possible

Defiant Dads Jocelyn Elise Crowley,2018-07-05 All across America angry fathers are demanding rights These men claim that since the breakdown of their own families they have been deprived of access to their children Joining together to form fathers rights groups the mostly white middle class men meet in small venues to speak their minds about the state of the American family and more specifically to talk about the problems they personally face for which they blame current child support and child custody policies Dissatisfied with these systems fathers rights groups advocate on behalf of legal reforms that will lower their child support payments and help them obtain automatic joint custody of their children In Defiant Dads Jocelyn Elise Crowley offers a balanced examination of these groups in order to understand why they object to the current child support and child custody systems what their political agenda if enacted would mean for their members

children or children's mothers and how well they deal with their members' interpersonal issues concerning their ex-partners and their role as parents. Based on interviews with more than 150 fathers' rights group leaders and members as well as close observation of group meetings and analysis of their rhetoric and advocacy literature, this important book is the first extensive in-depth account of the emergence of fathers' rights groups in the United States. A nuanced and timely look at an emerging social movement, *Defiant Dads* is a revealing investigation into the changing dynamics of both the American family and gender relations in American society.
