Andrews,2004-08-02 Despite myriad popular and journalistic expositions up to this point there have been virtually no academic discussions of the Manchester United phenomenon This anthology represents the first concerted academic examination of Manchester United F C in its current guise as a widely followed and highly emblematic sporting institution Bringing together respected academics from an array of disciplinary backgrounds these essays each interrogate various related dimensions of the Manchester United world The primary aim of this collection is to illustrate how the structure and experience of Manchester United is implicated in broader societal shifts within which the boundary between cultural and commercial concerns have become increasingly indivisible The chapters are presented within five thematic sections 1 Becoming United 2 Economy United 3 Embodied United 4 Local United 5 Global United *Violence and Dystopia* Daniel Cojocaru,2015-09-18 *Violence and Dystopia* is a critical examination of imitative desire scapegoating and sacrifice in selected contemporary Western dystopian narratives through the lens of Ren Girard s

mimetic theory The first chapter offers an overview of the history of Western utopia dystopia with a special emphasis on the problem of conflictive mimesis and scapegoating violence and a critical introduction to Girard s theory The second chapter is devoted to J G Ballard s seminal novel Crash 1973 Chuck Palahniuk s Fight Club 1996 and Rant 2007 and Brad Anderson s film The Machinist 2004 It is argued that the car crash functions as a metaphor for conflictive mimetic desire and leads to a quasi sacrificial crisis as defined by Girard for archaic religion The third chapter focuses on the psychogeographical writings of Iain Sinclair and Peter Ackroyd Walking the streets of London the pedestrian represents the excluded underside of the world of Ballardian speed The walking subject is portrayed in terms of the expelled victim of Girardian theory The fourth chapter considers violent crowds as portrayed by Ballard s late fiction the writings of Stewart Home and David Peace s GB84 2004 In accordance with Girard s hypothesis the discussed narratives reveal the failure of scapegoat expulsion to restore peace to the potentially self destructive violent crowds The fifth chapter examines the post apocalyptic environments resulting from failed scapegoat expulsion and mimetic conflict out of control as portrayed in Sinclair s Radon Daughters 1994 Margaret Atwood s The Handmaid s Tale 1985 and Oryx and Crake 2003 and Will Self s The Book of Dave 2006

[Pick Your Own Strawberries](#) John Martin Somers, 2010-05-17 A PIONEERING FUNERAL COMPANY PUTS THE MIRTH INTO MOURNING Unworldly middle aged undertakers assistant Frank Eddowes is a man going nowhere Still living at home with his mother and possessor of a substantial drink problem Frank s social life centres around a seedy station bar Here he mixes with drunks druggies and questionable young girls Frank s world falls apart when he is dismissed by his fusty old employer for an embarrassing drunken indiscretion at work But in a further fit of drunken inspiration he retaliates by setting up a rival undertakers staffed by the no hope losers of his favourite bar They are to offer a service totally contrary to that of accepted tradition with popular music as a theme and complete lack of deference to the remains of the departed as the central doctrine Could Frank be onto something which would alter the mindset of one of the last taboos forever Can funerals ever be fun Or have Frank and his oddball little band taken things way too far

**Witness to Roswell, 75th Anniversary Edition** Thomas Carey, Donald Schmitt, 2025-09-12 When I finished Witness to Roswell I said to myself Case closed for the very wealth and sheer weight of eyewitness testimony George Noory host Coast to Coast AM This classic in the field of UFOology is filled with hard hitting eyewitness testimony of one of the most important events of all time the actual recovery of a UFO outside of Roswell New Mexico in 1947 For more than 70 years government authorities have led us to believe the wreckage was merely a very conventional weather balloon but the witnesses who were there continue to tell a

different story Witness to Roswell once again provides a can't put down written account of what really transpired in Roswell decades ago. It pries loose the truth the government doesn't want us to know including the revelations of Walter Haut. This edition includes a growing litany of deathbed confessions describing the little people recovered at the crash site. The most comprehensive time line of events ever published on this seminal event. The identity of the Boeing engineer called in to examine the exotic wreckage from the crash. What really took place at the Roswell base hospital and what nurse actually ordered the children's caskets. The story of the soldier who wore gloves at the dinner table after guarding the bodies. Clearly the implications of this information are foreboding. One need only look at the fact that officials now have four explanations for this historic event but to which one do all the witnesses testify on their deathbeds. Witness to Roswell once again demonstrates to the world that no statute of limitation applies to the truth. We are not alone. This anniversary edition includes a new introduction by the authors and additional material. Clothiers' and Haberdashers' Weekly, 1895 **Hockey** Denis Gibbons, 2017-12-21 Hockey My Door to Europe details the author's personal sometimes harrowing experiences covering international hockey especially behind the Iron Curtain including the start of youth hockey exchanges between Canada and communist countries. The book also provides an in depth view of the following events. The author's detainment by the Czechoslovak secret police in 1983. The nuclear plant explosion in Chernobyl which occurred during the 1986 World Championship in Moscow. The defection of Soviet hockey star Alexander Mogilny following the 1989 World Championship in Stockholm. The fall of the Berlin Wall which took place in November of 1989 while the author was in Moscow. The uprising in Kiev, Ukraine which occurred during the 2014 Winter Olympics in Sochi, Russia leading to Russia's annexation of Crimea.
