Joyce as Theory Gabriel Renggli, 2023-02-28 Joyce as Theory is the first book length examination of James Joyce to argue he can be read as a theorist Joyce is not just a favourite case study of literary theory he wrote about how we make meaning and to what effect The present volume traces his hermeneutics in those narratives in *Finnegans Wake* which deal with textual production and interpretation showing that the *Wake*'s difficulty exemplifies Joyce's theoretical stance All reading involves responding to problems we cannot quite fathom This preoccupation places Joyce alongside Jacques Derrida and Jacques Lacan Joyce as Theory revives debates on theory with a linguistic focus laying open misconceptions that have muddled attempts to be over and done with this kind of thought It demonstrates that Derrida and Lacan almost exclusively presented as rivals converge on a common position It opposes the myth of linguistic theory as a formalist approach instead showing that Joyce Derrida and Lacan give us a hermeneutic ethics alert to how meaning making impacts our lived experience And it challenges the notion that theory imposes matters alien to Joyce demonstrating that it is an appreciation of Joyce's arguments in *Finnegans Wake* that generates a theoretical perspective Joyce as Theory is essential reading for researchers and students in Joyce studies continental philosophy literary theory and modernist literature Aspect Core Rulebook FC 2015 SC Heather Gunn, 2014-06-19 Aspect is not your ordinary dungeon crawling dragon slaying role playing

A Literary History of the American West Western Literature Association (U.S.),1987 Literary histories of course do not have a reason for being unless there exists the literature itself This volume perhaps more than others of its kind is an expression of appreciation for the talented and dedicated literary artists who ignored the odds avoided temptations to write for popularity or prestige and chose to write honestly about the American West believing that experiences long known to be of historical importance are also experiences that need and deserve a literature of importance

Blooming and Contending Michael S. Duke,1985 Chinese literature has been the slave of politics at least since 1948 and especially during the Cultural Revolution So repressed and convoluted is most Chinese literature that the West cannot read it as literature at all but rather as sociological and political texts Professor Duke believes this has changed enough since 1977 to permit genuine literary analysis This book surveys and analyzes the most important literary events in the PRC from 1977 to 1982 Chapter I covers the significant changes in the Chinese Party line on literature and art during this period and thus provides the backdrop for literary and artistic endeavor Subsequent chapters deal with the critique of Chinese literature by China s own writers the neo realistic fiction of 1979 80 the nonfiction works of a courageous investigative reporter for the People s Daily and the theme of humanism and its treatment in the works of Bai Hua and Dai Houying The final chapter discusses the post Mao generation of young writers who are trying to create works that go beyond narrowly ideological boundaries of the past and reach toward a true modern Chinese literature

Print, Poetics, and Politics S. Rodgers,2021-10-25 This study presents the text and first English translation of a Sumatran turi turian or chanted epic called the tale of Datuk Tuongku Aji Malim Leman the hero s name This is a famous southern Batak story from the town of Sipirok The version at issue in the Angkola Batak language was published as a folkloric but also rather novelistic printed paperback book for a popular southern Batak audience in 1941 at the end of Dutch colonial rule in the Indies This sly book version of Datuk Tuongku by the novelist and newspaperman M J Soetan Hasoendoetan gave southern Batak readers a great literary epic of their own to claim within Indies literatures here was a touchstone for asserting their cultural excellence at a time when the Batak societies were often denigrated as tribal by both Dutch officialdom and other Indies residents Soetan Hasoendoetan s deft elegant but also playful and funny prose rendition of Datuk Tuongku allowed his Batak readers to imagine Batak traditions and Batak modernities simultaneously and to mull over the relationships between high oratory and the Latin alphabet print literacy promulgated in the colonial schools of Tapanuli The study also includes a lengthy anthropological interpretation of the 1941 text seeing it as a work of both politics and art The introductory essay draws on postcolonial theory and upon ethnographic fieldwork on literacy oratory and turi turian in Sipirok
