Creating Societies Dirk Hoerder, 2000-01-01 Dirk Hoerder shows us that it is not shining railroad tracks or statesmen in Ottawa that make up the story of Canada but rather individual stories of life and labour Caribbean women who care for children born in Canada lonely prairie homesteaders miners in Alberta and British Columbia women labouring in factories Chinese and Japanese immigrants carving out new lives in the face of hostility Hoerder examines these individual experiences in Creating Societies the first systematic overview of the total Canadian immigrant experience Using letters travel accounts diaries memoirs and reminiscences he brings the immigrant's experiences to life Their writings often recorded for grandchildren neighbours and sometimes a larger public show how immigrant lives were entwined with the emerging Canadian society Hoerder presents an important new picture of the emerging Canadian identity dispelling the Canadian myth of a dichotomy between national unity and ethnic diversity and emphasizing the long standing interaction between the members of a different ethnic groups

The Peyote Road Thomas C. Maroukis, 2012-11-08 Despite challenges by the federal government to restrict the use of peyote the Native American Church which uses the hallucinogenic cactus as a religious sacrament has become the largest indigenous denomination among American Indians today The Peyote Road examines the history of the NAC including its legal struggles to defend the controversial use of peyote Thomas C Maroukis has conducted extensive interviews with NAC members and leaders to craft an authoritative account of the church's history diverse religious practices and significant people His book integrates a narrative history of the Peyote faith with analysis of

its religious beliefs and practices as well as its art and music and an emphasis on the views of NAC members Deftly blending oral histories and legal research Maroukis traces the religion's history from its Mesoamerican roots to the legal incorporation of the NAC its expansion to the northern plains Great Basin and Southwest and challenges to Peyotism by state and federal governments including the Supreme Court decision in *Oregon v Smith* He also introduces readers to the inner workings of the NAC with descriptions of its organizational structure and the Cross Fire and Half Moon services The *Peyote Road* updates Omer Stewart's classic 1987 study of the Peyote religion by taking into consideration recent events and scholarship In particular Maroukis discusses not only the church's current legal issues but also the diminishing Peyote supply and controversies surrounding the definition of membership Today approximately 300 000 American Indians are members of the Native American Church The *Peyote Road* marks a significant case study of First Amendment rights and deepens our understanding of the struggles of NAC members to practice their faith

Bottom of the Class: Children's Stories of Low Attainment in Primary School Laura Quick, 2025-06-27 This book offers a much needed look at the impact of our attainment driven education system on those children considered low attainers It reveals how difficult they find it to feel good about themselves their capacity to learn and their futures as well as shedding light on the role schools are playing in maintaining inequality and the illusion of meritocracy At the heart of *Bottom of the Class* are the engaging and thought provoking stories of four children whom the author followed through three years of primary school Concerned with friendships getting told off and struggling with schoolwork they are in some ways very ordinary Yet caught between competing messages about who they ought to be and their fears of failure they are also extraordinary showing impressive courage creativity and integrity in the way they navigate their paths through school By bringing the voices of low attainers into the centre of the debate around low attainment this crucially important book is a must read for anyone interested in educational inequality and school experience within education studies policy studies the sociology of education initial teacher training and educational leadership

Cornelius, 2023-06-28 A history of Wisconsin's Indigenous past present and future in Native peoples own words Treaties made in the 1800s between the United States and the Indigenous nations of what is now Wisconsin have had profound influence on the region's cultural and political landscape Yet few people realize that in the early part of that century the Menominee and Ho Chunk Nations of Wisconsin signed land treaties with several Indigenous nations from New York State At the onset of the removal era these eastern nations including the Oneida Nation and the Six Nations Confederacy were under constant pressure from the federal government and land speculators to move to lands around Green Bay and Lake Winnebago In this groundbreaking book Carol A. Cornelius has compiled a careful account of these nation to nation treaties in large part in the words of those Indigenous leaders who served as the voices and representatives of their nations Drawing on a rich collection of primary sources Cornelius walks readers through how why and for whom these treaties were made and how the federal government's failure and unwillingness to acknowledge their legitimacy led to the further loss of Indigenous lands The living documents transcribed here testify to the complexity and sovereignty of Indigenous governance then and now making this volume a vital resource for historians and an accessible introduction to Indigenous treaty-making in Wisconsin Winner of the 2024 Wisconsin Historical Society's Book of Merit Award Finalist for the 2023 Foreword INDIES Book of the Year Award for Adult Nonfiction History
