Crazee Lady Too My Chapbook Of Poetry And Songs:

Crazee Lady, Too G. Venora, 2005-04 G Venora began writing poetry at a very young age Her love for poetry is enhanced by works of famous poets such as Robert Frost Elizabeth Barrett Browning Langston Hughes and others Growing up in the treacherous fifties inspired many writings that spoke on experiences of that period She has seen life s difficulties and many frailties that encompassed her own life G Venora s solutions to many scenes attempted to inspire change or at least recognition to solutions because as she always noted if the things you are trying are not working pray and then try another way Her love for the English language in school presented even newer challenges and inspirations She has embarked on a new life now as a widow who needed a change and now resides in Wichita Kansas after leaving the Pacific Northwest She hopes to move forward in presenting poetry to a broader audience **Native American Women Leaders** Edward J.

Rielly, 2022-02-08 There is insufficient recognition given to Native American women many of whom have made enormous contributions to their respective tribal nations and to the broader United States The 14 stories in this book are representative of the countless Native American women who have excelled as leaders including Debra Haaland and her history making role as Secretary of the Interior They come from across the centuries and from a range of tribal nations and represent a wide range of society including politics the arts health care business education wellness feminism environmentalism and social activism Most of these women have made their mark in more than one area Each chapter includes personal biographical and public life information Some of the women have given us much in writing including memoirs while others have left behind little or nothing written Even in the absence of their own words though their actions still speak eloquently *Oeuvre* Janet Kuypers, 2004 *The Best American Poetry 2019* David Lehman, Major Jackson, 2019-09-10 The 2019 edition of The Best American Poetry one of the mainstays of the poetry publication world Academy of American Poets now guest edited by Major Jackson award winning poet and poetry editor of the Harvard Review Since 1988 The Best American Poetry has been the leading anthology of contemporary American poetry The Washington Post said of the 2017 edition The poems have a wonderful cohesion and flow as if each contributes to a larger narrative about life today While readers may question some of the selections an annual sport with this series most will find much that resonates including the insightful author notes at the back of the anthology The state of the world has inspired many to write poetry and to read it to share all the rage beauty and every other thing under the sun in the way that only poetry can Now the foremost anthology of contemporary American poetry returns guest edited by Major Jackson the poet and editor who makes poems that rumble and rock poet Dorianne Laux This brilliant 2019 edition includes some of the year s most defining striking and innovative poems and poets *Blood Narrative* Chadwick Allen, 2002-08-06 Compares the discourses of indigeneity used by Maori and Native American peoples and proposes the concept treaty discourse to characterize the relevant form of postcolonial situation *The Milk of Almonds* Edvige Giunta, Louise DeSalvo, 2017-03-15 A vast thoroughly wonderful assortment of poetry memoirs and stories that defines

today's female Italian American experience Publishers Weekly Often stereotyped as nurturing others through food Italian American women have often struggled against this simplistic image to express the realities of their lives In this unique collection over 50 Italian American female writers speak in voices that are loud boisterous sweet savvy and often subversively funny Drawing on personal and cultural memories rooted in experiences of food they dissolve conventional images replacing them with a sumptuous communal feast of poetry stories and memoir This collection also delves into unexpected sometimes shocking terrain as these courageous authors bear witness to aspects of the Italian American experience that normally go unspoken mental illness family violence incest drug addiction AIDS and environmental degradation As provocative as it is appetizing this collection of verse and prose pieces reveals the evocative and provocative power of food as event and as symbol as well as the diversity of these women's lives and their ambivalence regarding the role of nurturer Library Journal

Confessions of a Latter-day Virgin Nicole Hardy, 2013-08-20 When Nicole Hardy's eye opening Modern Love column appeared in the New York Times the response from readers was overwhelming Hardy's essay which exposed the conflict between being true to herself as a woman and remaining true to her Mormon faith struck a chord with women coast to coast Now in her funny intimate and thoughtful memoir Nicole Hardy explores how she came at the age of thirty five to a crossroads regarding her faith and her identity As a member of the Church of Jesus Christ of Latter day Saints Nicole had held absolute conviction in her Mormon faith during her childhood and throughout her twenties But as she aged out of the Church's singles ward and entered her thirties she struggled to merge the life she envisioned for herself with the one the Church prescribed wherein all women are called to be mothers and the role of homemaker is the emphatic ideal Confessions of a Latter day Virgin chronicles the extraordinary lengths Nicole went to in an attempt to reconcile her human needs with her spiritual life flying across the country for dates with LDS men taking up salsa dancing as a source for physical contact even moving to Grand Cayman where the ocean and scuba diving provided some solace But neither secular pursuits nor LDS guidance could help Nicole prepare for the dilemma she would eventually face a crisis of faith that caused her to question everything she'd grown up believing In the tradition of the memoirs Devotion and Mennonite in a Little Black Dress Confessions of a Latter day Virgin is a mesmerizing and wholly relatable account of one woman's hard won mission to find love acceptance and happiness on her own terms
