

Have questions? Need assistance? BWC is here to help!

Call 1-800-644-6292, and listen to the options to reach a customer service representative.

You can dial the number nationwide, and in Canada and Mexico from 7:30 a.m. to 5:30 p.m. EST.

Remember, you can access information and request services by visiting BWC's Web site at www.bwc.ohio.gov.

STOP!

If you do not have an existing policy with BWC, please complete the Application for Ohio Workers' Compensation Coverage (B-2) instead of this form.

All employers with one or more employees must carry workers' compensation coverage. It's the law. However, Ohio law makes coverage elective for owners or ministers in one of the following categories: sole proprietor; partnership; limited liability company acting as a sole proprietor; limited liability company acting as a partnership; family farm corporate officers; individual incorporated as a corporation; and ordained or associate ministers of a religious organization. These individuals may cover themselves by submitting this form. Elective coverage is effective the date BWC receives the application and will remain in effect until you request to cancel the coverage. You must complete an additional application for elective coverage to cover owners or ministers you wish to add at a later date. Remember, if you choose not to cover yourself and you are injured at work, BWC will not provide coverage, and other insurance may not cover your work-related disability or medical bills. Contact your insurance carrier if you have questions.

Submit the form to BWC in one of the following ways.

Online: www.bwc.ohio.gov

My Policy: Sign in to our website, and from the My policy page, click **Upload documents**.

Fax: 614-719-5313

Mail: BWC Mail Processing Center
Attn: Employer Services
30 W. Spring St.
Columbus, OH 43215-2256

Important: If you fax, or mail the form to BWC, be sure to sign and date the form. BWC cannot process it without a signature.

Payroll reporting requirements

Specific payroll reporting requirements associated with elective coverage are listed below.

Sole proprietors and partners, including limited liability companies acting as a sole proprietor or partnership: For all individuals electing coverage, the reportable wages are subject to a minimum and maximum, which BWC bases on the statewide average weekly wage (SAWW) calculated annually by the Ohio Department of Job and Family Services (ODJFS.) The minimum payroll reporting amount will be 50 percent of the SAWW. The maximum payroll reporting amount will be 150 percent of the SAWW. Individuals who earn between the minimum and maximum will report their actual net incomes based on their form 1040, Schedule C for sole proprietors or form 1065, Schedule K-1 for partnerships, inclusive of any draws.

Officers of a family farm corporation: For corporate officers of a family farm electing coverage, the reportable wages are subject to a minimum and maximum, which BWC bases on the SAWW calculated annually by ODJFS. The minimum payroll reporting amount will be 50 percent of the SAWW. The maximum payroll reporting amount will be 150 percent of the SAWW. Officers of a corporation who earn between the minimum and maximum will report their actual W-2 wages. For S-corporations, officers must report wages for services they perform. This may include W-2 wages as well as all or part of ordinary income from Schedule K-1 up to the maximum.

Religious organizations: Ohio law requires religious organizations to cover their paid employees. However, BWC does not consider ordained ministers and associate ministers employees for the purpose of workers' compensation. When the religious organization covers a minister under its policy, actual earnings are reportable and are not subject to the minimum and maximum. Ministers not covered under the religious organization's policy, can complete an application for coverage and elect coverage on themselves as a sole proprietor. Ministers electing coverage as a sole proprietor are subject to the minimum and maximum reporting requirements as described above.

Individuals incorporated as a corporation with no employees: For individual corporate officers electing coverage, the reportable wages are subject to a minimum and maximum, which BWC bases on the SAWW calculated annually by ODJFS. The minimum payroll reporting amount will be 50 percent of the SAWW, and the maximum payroll reporting amount will be 150 percent of the SAWW. Officers of a corporation who earn between the minimum and maximum will report their actual W-2 wages. For S-corporations, officers must report wages for services they perform. This may include W-2 wages as well as all or part of ordinary income from Schedule K-1 up to the maximum.
