Crazy Laws And Lawsuits:

Crazy Laws and Lawsuits Robert Allen, 2005-06-26 Lawsuits are becoming more of a common feature in newspaper reports due to their increasingly bizarre unusual and in many cases downright silly nature Crazy Laws Lawsuits includes many of the publicised cases the newspapers pick up on alongside the more obscure cases to stupid to print The book is divided into sections each with a different theme and begins with an In Brief section listing various cases in condensed form to give the reader a flavour of what is to come The next sections include Neighbourhood Disputes where neighbours fight it out over hedges fences and finally in the courtroom for an inch of ground either way Strange Defenses is a chapter that outlines the most unlikely defenses you could imagine including the woman whose defense for defrauding the company she worked for of thousands of dollars was that she was a shopaholic and couldn't help her impulsive behavior The book concludes with Bizarre Cases such as the case of the British dollmaker who was sued by Matel for turning Barbie into a partly nude Dungeon Doll Includes many hilarious cases such as the woman who sued a furniture store after breaking her ankle when she tripped over her own son or the man who sued after being bitten on the behind by a dog that he was shooting at with a pellet gun

Crazy Laws & Lawsuits Robert Allen, 2010-02 The law has never been funnier or crazier and this book now in a brand new format contains the proof In an age of litigation run rampant lawsuits have become increasingly bizarre not to mention downright silly It may seem obvious that junk food makes you fat or that if you fall into an ornamental rock garden it will hurt but some people need a big warning sign From convicted criminals to forgetful senators and gambling crazy moms everyone it seems needs protecting from themselves Some chancers walk away with a big check but readers can render their own verdicts on barely injured sports stars warring neighbors aggrieved former pet owners angry husbands furious wives and kids who think To hell with the inheritance I'm suing Mom and Dad
