Conway,2020-11-06 American church participation has plummeted in recent decades Abuse scandals and hypocrisy hang in the air Weekly I talk to friends and neighbors who have left church even as many still identify as Christians I get what they're saying When I consider the pain that so many have experienced in church life the body of Christ sure seems broken It's no wonder many don't find church to be worth it But maybe there's more to the story As a child my family experienced deep crisis I felt alone and vulnerable Into that void the church stepped in I discovered a family a people that have my back and forever changed my life Even now I see tangible ways the church works for the common good The church possesses a resilient beauty that continually pushes through the brokenness If we love Jesus we have to eventually ask what Jesus loves Surprising to me at times Jesus loves the church despite her brokenness If we learn to see what Jesus sees we'll discover a powerful often untapped means towards human flourishing No other social group offers what the church offers Yes the church is broken but there's more She's beautiful **Raising Jake** Charlie Carillo,2009-08-25 The best kind of journey one you don't want to end
