Community of God's People in North East India L. J. Sangma, 1986 *Resident Aliens* Stanley Hauerwas, William H. Willimon, 2004-04-01 In this bold and visionary ebook two leading Christian thinkers explore the alien status of Christians in today's world and offer a compelling new vision of how the Christian church can regain its vitality battle its malaise reclaim its capacity to nourish souls and stand firmly against the illusions pretensions and eroding values of today's world Hauerwas and Willimon call for a radical new understanding of the church By renouncing the emphasis on personal psychological categories they offer a vision of the church as a colony a holy nation a people a family standing for sharply focused values in a devalued world *Preaching Prophetic Care* Phillis Isabella Sheppard, Dawn Ottoni-Wilhelm, Ronald J. Allen, 2018-06-25 Preachers often think of prophetic preaching in the caricature of the prophet as the lonely outsider confronting the congregation often angrily with the congregation's complicity in social injustice and with a bracing call for repentance The twenty seven essays and sermons in this book offer a different perspective by viewing prophetic preaching specifically and

ministry practical theology and theological education more broadly as pastoral care for the community in prophetic perspective Such preaching does indeed bring a critical theological analysis of justice concerns to the center of the sermon but in such a way as to invite the congregation to consider how the move toward justice is a pastoral move that is a move that seeks to build up community Rather than contributing to the polarization so rampant in today s social world the preacher seeks to help the congregation build bridges along which concern for justice can travel The contributions honor the work of the late Dale Andrews a scholar of preaching and practical theology at the Divinity School Vanderbilt University whose seminal work inspires the notions of prophetic care and building bridges to justice **An Uncertain Certainty** Graham

Buxton,2014-09-25 Many people in Christian ministry are tired of simplistic certainties what they need is permission to live with uncertainty with mystery ambiguity and paradox Because we live in a world that is far removed from the modernist version of reality with its rational clinical and superficial presentation of life we need the courage and wisdom to embrace the presence of uncertainties in the midst of certainty In this book the author offers snapshots of a number of central Christian topics God the gospel the church salvation ministry inviting us to treat them as features of a landscape to explore rather than a set of propositional statements to sign up to Each chapter short enough to provoke interest and curiosity will be a catalyst for deeper reflection and enquiry inviting us to discover a new freedom in ministry as we embrace a more generous both and perspective in place of a more narrow either or interpretation of the Christian faith In the process we may find ourselves rediscovering the Life we have lost in living as we imaginatively participate in the life ministry and mystery of the triune God of grace in our midst **Liturgy and Life Study Bible** Paul Turner,John W. Martens,2023-07-13 How does the Bible form

our worship practices How does liturgy incorporate the Bible The Liturgy and Life Study Bible explores these questions and provides answers for today s church This indispensable guide includes essays from the world s top liturgical and biblical scholars on a variety of subjects including Jewish liturgical traditions Psalms as liturgical prayer early church worship social justice sacraments the Last Supper and more Throughout the biblical text brief comments flag passages that contain something of liturgical or personal prayer interest A correlation chart highlights the intersection between biblical passages and the Catholic liturgy listing every place where a verse of the Bible appears in any liturgical book the Missal the orders of sacramental rites even the Roman Gradual and the Martyrology This one of a kind tool will serve researchers catechists preachers and anyone studying the Bible for the purposes of prayer and meditation Uses the New American Bible Revised Edition Cover art by Jan Richardson Includes eight full color map images Versions and Imitations of the Psalms of David, Selected from Various Authors, and Adapted to the Public Worship of the Church of England.
