Created to Be His Help Meet Debi Pearl, 2014-10-27 Created to Be His Help Meet first published 10 years ago has sold over 500 000 copies in 12 languages I am amazed reading the testimonies of woman in England India Saudi Arabia China Australia and many other countries as they share how their marriages have been saved and enriched through these biblical truths Over the years I have learned from these many women and responding to their cries for help have added TWO NEW CHAPTERS and other small revisions to address their needs One of the new chapters is called Servant or Servitude There is a difference One is godly the other devilish Did we fail to make that distinction clear enough the first time around Some have indicated such So we tackled the subject head on May God continue to bless you as you read and obey the wonderful words of God

Summary of Debi Pearl's Created to Be His Help Meet Everest Media, 2022-04-09T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 You were created to fill a man's need for a helper and in that capacity you are a good thing suited to his needs You are inferior to none as long as you function within your natural nature for no man can do your job 2 When you are a help meet to your husband you are a helper to Christ When you honor your husband you honor God When you obey your husband you obey God 3 God's original plan was that Adam and Eve be husband and wife but Eve was created to be a help meet to Adam As you read this it may seem like blasphemy but your husband deserves you as his help meet 4 Men are created to be helpers of God Society is structured so that men and women must submit to authorities like government employers police and the courts There is no loss of dignity in subordination when it serves a higher purpose

Quiverfull Kathryn Joyce, 2009 Kathryn Joyce's fascinating introduction to the world of the patriarchy movement and Quiverfull families examines the twenty first century women and men who proclaim self sacrifice and submission as model virtues of womanhood and as modes of warfare on behalf of Christ Here women live within stringently enforced doctrines of wifely submission and male headship and live by the Quiverfull philosophy of letting God give them as many children as possible so as to win the religion and culture wars through demographic means From the Trade Paperback edition
