Created to Worship Bj Abulude, 2018-09-02 21st Century worship is being driven it seems by Music Popular culture and the entertainment industry have captivated the minds of Christians everywhere Many people go into Churches today expecting similar levels of showmanship or gimmicks applied as they would be in any secular pop or rock concert Or perhaps Church leaders are themselves convinced that no one would come unless they can put up a great show *Created to worship* encourages Christians to get back to the basics of worship exploring how the songs we sing can arguably shape our daily Christian experience In a world full of noise and great distractions disciples of Jesus Christ are encouraged to delve deeper into the scriptures so that with renewed faith we can build our worship upon the foundations and truth of God's Word and live the supernatural lives that God intends for us to live **Created to Praise** Derek Prime, 1981 *Now To Him* J.

Perspectives of Hope Jay Allan Shears, 2009-02 The Hope of creation mankind characterizes the Hope of the Creator God who made mankind in His image Mankind s relationship with wisdom to realize all Hope and purpose tragically imploded when mankind chose his Hope purpose to become God In that moment untruth was born The Word from untruth characterized the Hope of Evil created by creation The Word from Truth characterized the Hope of Good created by God the Creator Only God possessed the power to create The plan to restore creation to its original purpose through the knowledge of Truth from God is the essence of the battle fought in a realm that has no beginning and is without end The assimilation of that Truth challenges the seed of hope that mankind can somehow recognize that creation can rule and serve God but not be God This is mankind s hope for help and this Perspective of Hope Jay Allan Shears is an Orthodox Jew who found his way through the whiles of life to his Messiah Jesus Christ He is the Board Chair of several companies with extensive multicultural high technology marketing and business development experience Jay is the winner of several awards patents with notable training from the Harvard Business School in Executive Leadership He is a much sought after speaker and thinker traveling extensively as the Lord orders his path
