Creating Competent Communicators 71:

The Teacher's Guide to Media Literacy Cyndy Scheibe, Faith Rogow, 2012 A Deeper Sense of Literacy is the first book to suggest that media literacy is both a content area and an approach to teaching that can be integrated into any subject area. It combines theory and practical application in a way that addresses the most important questions related to media literacy in education today: what is it, why is it important, how can you teach it across a wide range of curriculum areas and grade levels, and does it work? Rather than focusing on how to teach media literacy, Scheibe and Rogow focus on actually using media literacy to teach lessons across the content areas. 7 Fundamentals of an Operationally Excellent Management System

Chitram Lutchman, Douglas Evans, Waddah Shihab Ghanem Al Hashemi, Rohanie Maharaj, 2015-01-22 Developing and maintaining a disciplined management system provides any organization with a blueprint for exceptional performance and success. Indeed, for larger multinational corporations, a management system is a critical component for sustainable growth and performance management. In this book, the authors discuss a series of fundamentals for creating a **Cultural Competence for Public Managers**. Espiridion Borrego, Richard Gregory Johnson III, 2017-09-25 Our increasingly globalized society demands a higher level of sophistication when working cross-culturally and internationally in local, state, and federal governments, tribal corporations, and nonprofit organizations. *Cultural Competence for Public Managers* offers guidance on how to become a leader in developing cultural competence in your organization. It provides a conceptual foundation and successful examples for developing cultural competence, including competencies for international collaborations. The authors clearly define terms and provide their own cultural competence model that will add significantly to the current field. They describe the rapidly changing worldwide demographics that are bringing new cultures into many countries and societies. They also examine the issues that culturally diverse landscapes create in the United States, Asia, Europe, Africa, and Latin America, highlighting the differences between assimilationist and the multicultural viewpoints. Drawing on a wide range of examples from universities, local, state, and federal governments, health care service providers, and nonprofit organizations, the book illustrates management practices that are then extended into the relevant cultural context. It also includes examples of cultural missteps and cultural competencies that have worked in practice. Written in an accessible format and style, the book provides practical and useful standards and performance measures, proven coaching and mentoring guides, as well as templates, checklists, exercises, and guidelines. It includes downloadable resources with coaching guides, checklists. Organized thematically, the book defines the scope of cultural competencies, highlights best practices, and describes variations in responsibility for administering cultural competence for executives, managers, supervisors, and employees. Developing Your Conflict Competence Craig E. Runde, Tim A. Flanagan, 2010-03-01 A practical resource, this book combines tips, checklists, exercises, and stories to outline concrete processes that improve the way leaders, managers, and anyone within an organization responds to conflict. Beginning with a series of questions and self-diagnostics, the authors show you how to

maintain emotional balance in the face of conflict implement constructive communications techniques help others deal with conflicts that are causing organization problems establish norms for handling conflict use specific approaches for addressing conflict more effectively A must have guidebook for the new age of global business This book shows every leader how to turn feelings of fear into feelings of safety suspicion into trust and competitiveness into collaboration Jim Kouzes coauthor of the best selling book The Leadership Challenge and Dean s Executive Professor of Leadership Leavey School of Business Santa Clara University Craig Runde and Tim Flanagan use their vast experience to give us Developing Your Conflict Competence Move beyond negative workplace conflict to positive and constructive outcomes with the simple tools and suggestions in this must read field guide Marshall Goldsmith best selling author of What Got You Here Won t Get You There Succession Are You Ready and the upcoming MOJO I ve read the authors first two books Becoming a Conflict Competent Leader and Building Conflict Competent Teams Their latest book pulls it all together by providing models examples and thought provoking insight It will be required reading for my senior management team Deborah Jallad president chairman Accredited Surety and Casualty Company Inc
