Baranowski, 1993 A plan for restructuring the parish and renewing Catholic life Holy Cooperation! Andrew McLeod, 2009-01-01 The first Christians immediately set about creating a social structure based on democratic control of their collective resources which were shared freely While this was a voluntary system it carried great spiritual weight and was a continuation of values that were clearly encouraged in the stories of the Old Testament This style of organizing can also be found in the modern cooperative movement which is made up of thousands of democratically controlled businesses serving millions of members worldwide This movement touches the lives of nearly half of Americans and has grown into a comprehensive economic system in other parts of the world Christians have played key roles in the development of this movement but the theological basis for this participation is not widely understood Holy Cooperation is an examination of what the Bible teaches about social organizing and an exploration of some of the cooperative ways that Christians have worked together Through cooperation we may act as our brothers and sisters keepers while staying true to Jesus s teachings of liberation **Wake Up, Lazarus!** Pierre Hegy, 2012 Today s Catholic Church faces a major decline and a dramatic renewal is needed to facilitate positive change Three general factors that contribute to the spiritual decline of all mainline churches and three factors that are special to the Catholic Church Hegy describes the inner workings of two successful parishes one evangelical and the other Catholic to illustrate the strategies used that contribute to vibrant and growing church communities He also reviews various renewal plans and then presents his personal long term plan for renewal in the Catholic Church with practical implementation suggestions included in each step Sharing the Journey Robert Wuthnow, 1996-07-01 A look at how support groups have affected American society argues that although support groups provide a warmth and security that holds society together they can lead to an unhealthy self absorption and a trivialized sense of what is sacred *Called to be Stewards* Patrick H.
