Sommer, 2009-06-29 Sommer utilizes a recovered ancient perception of divinity as having more than one body fluid and unbounded selves

**Coming Too Late** Andrew Barnaby,2017-06-29 Aiming to reconceptualize some of Freud s earliest psychoanalytic thinking Andrew Barnaby s Coming Too Late argues that what Freud understood as the fundamental psychoanalytic relationship a son s ambivalent relationship to his father is governed not by the sexual rivalry of the Oedipus complex but by the existential predicament of belatedness Analyzing the rhetorical tensions of Freud s writing Barnaby shows that filial ambivalence derives particularly from the son s vexed relation to a paternal origin he can never claim as his own Barnaby also demonstrates how Freud at once grasped and failed to grasp the formative nature of the son s crisis of coming after a duality marked especially in Freud s readings and misreadings of a series of precursor texts the biblical stories of Moses Shakespeare s Hamlet E T A Hoffmann s The Sandman that often anticipate the very insights that the Oedipal model at once reveals and conceals Reinterpreting Freudian psychoanalysis through the lens of Freud s own acts of interpretation Coming Too Late further aims to consider just what is at stake in the foundational relationship between psychoanalysis and literature

Adam: First and the Last Simon Turpin,2023-07-28 Are you prepared to defend the biblical account of Adam as a living man formed by God Many theologians pastors and philosophers now teach that the Adam we find in Genesis was a myth story or parable In Adam First and the Last Simon Turpin Ex Director of Answers in Genesis UK Europe reveals why understanding

Adam to have been the first man created is critical for a consistent theological understanding of the biblical message of creation the fall and redemption If you deny the First Adam not only do you deny the sufficiency of Scripture and undermine its authority but you ultimately attack the life teaching and person of the Last Adam our Lord Jesus Christ Ken Ham CEO of The Ark Encounter Creation Museum Answers in Genesis The very teachings of Jesus regarding creation and the flood are being attacked on the basis that because of His human nature there was error in some of His teaching The theory of biological evolution though lacking evidence is why many reject Adam as a historical individual or see him as anything other than the originating head of the human race The church is facing a crisis because too few of her people and leaders understand the consequences of combining the Bible and evolution Sadly today more and more evangelical Christian scholars are having to redefine passages of Scripture because they have adopted the idea of evolution and millions of years into their thinking These questions may be the biggest doctrinal issues facing our generation and the church's attitude toward them could be a defining moment in Christianity Adam First and the Last will prepare you your family and your church to stand against today's false teachers and strengthen your faith in the infallible Word of God Turpin offers a true biblical apologetic that will be used for decades and even centuries to help the Body of Christ hold fast to their confession of faith without wavering Hebrews 10:23

*THE GOSPEL OF JOHN Original Version - Volume II* translated by James David Audlin, 2014-02

The only narrative about Jesus by eyewitnesses this is also one of the world's greatest literary works The unfinished text was spirited off to Sinope when the author was sent into exile Even there the hand of Rome nearly destroyed it Rescued 35 years later the author's spiritual heirs published it While in Sinope some pages got lost or disordered After publication various editors changed the manuscript repeatedly to suit the changing doctrines of early Christianity even adding spurious new material Thus the standard text is an inspiring mess but still a mess This translation restores not the unfinished original text but the masterpiece the author sought to compose a first hand account of a real man sent to urge humanity to accept God's will set down before doctrine repackaged him as an incarnate deity Volume One contains the carefully restored text and a history of the gospel Volume Two includes commentaries that burnish this masterpiece for the modern reader
