Creative Christian Marriage:

Creative Christian Marriage Mark Lee,1977 *Creative Christian Marriage* Mark Lee,1977-09 *The Mystery of Christian Marriage* Peter Jeffery,2006 Peter Jeffery explores in depth the Catholic tradition which has shaped our teaching and our living following two principal themes marriage as covenant and family as a domestic church He shows how the family with all its relationships is sacramental Eros and Creativity in Russian Religious Renewal Anna Lisa Crone,2010-01-19 This book is a fascinating exploration of largely uncharted territory in the history of Russian religious thought Focusing on four brilliant representatives of the Russian religious renaissance of the late nineteenth and early twentieth centuries Vladimir Solovyov Vasily Rozanov Nikolai Berdyaev and Boris Vysheslavtsev Anna Lisa Crone masterfully details their efforts which were at first quite independent of the work of Sigmund Freud and later highly critical of it to establish the importance of the sex drive in human life and to reinterpret Christianity as a religion of the flesh as well as the spirit Crone s use of the concept of sexual sublimation developed by Solovyov and Rozanov before Freud had described it and its connection with human creativity is the perfect foil for bringing out and clarifying the agreements and differences between the Russian religious thinkers on the one hand and the secular psychoanalysts such as Freud Carl Jung and Otto Rank on the other New light is cast on all these figures by Crone s adroit analyses which will also be welcomed by anyone interested in the roots of creativity the cultural significance of sexuality or the essence of Christianity James P Scanlan Professor Emeritus of Philosophy The Ohio State University **Christian Marriage** David Michael Thomas,1992 This book represents a theology of marriage It is not intended as a manual for solving marital problems or as a self help guide on how to improve one s marriage Rather its basic goal is to bring forward into our time with all its uniqueness and peculiarities major insights of the Christian faith as they relate to married life Through the love of wife and husband woman and man through loving words pronounced in public in formal ceremony and unfolded in the time that ensues through the couple s collaboration with God s creative power in brining new life into the world through the spirituality lived in transforming creation the sacrament of marriage brings the Spirit of God into the world Each couple has the power to block this process but what is more important to affirm is their capacity to advance it And it happens From Chapter 1 *The Liturgy That Does Justice* James L. Empereur,Christopher G. Kiesling,2006-02-09 **Christian view of divorce according to the teachings of the New testament** Shaner,2023-07-10 Person, Personhood, and the Humanity of Christ Hakbong Kim,2021-05-19 The quest for an understanding of humanness has been significant As the ways in which we recognize and define our human being have significant impact wide ranging discussions and questions about the human have taken place with significant theoretical and practical implications In Person Personhood and the Humanity of Christ Hakbong Kim explores Thomas F Torrance s critiques of the dualist and individualistic views concerning human beings in the history of philosophy and theology This book sheds important light on Torrance s understanding of humans as persons in relation the trinitarian personhood as the

ontological foundation for human personhood and the humanity of Christ as key to the personalization necessary for a new moral ethical and social life This presents a Christocentric anthropology and ethics which focuses on Christ s ongoing reconciling and humanizing ministry for us Christian Faith and the Environment Brennan R. Hill,2007-03-16 Although the environmental crisis has been recognized as an international threat Christian attempts to reconcile their religious traditions and the earth are just beginning Christian Faith and the Environment challenges churches to take a stand for environmental concerns Hill explores how twentieth century theologians such as Karl Rahner Bernard Lonergan and Pierre Teilhard de Chardin have taught Christians to build bridges between Christianity and creation Examining sacramental rites church documents and feminist theological insights on ecology Hill outlines a Christian environmental spirituality and traces the ethical challenges posed by our new awareness of our environment **Creating a Successful Christian Marriage** Cleveland McDonald,Philip McDonald,2008-04-01 This classic text written by a father and son team looks at the nuclear family as a social institution and provides guidance for interaction and adjustment during dating engagement and early marriage The authors treat such practical matters as communicating working through interpersonal differences and growing in relationships within the family They also discuss the impact of cultural expectations on family patterns and define ideal family roles developed in Scripture Other topics covered include parenting extended family relationships finances and nontraditional families Now available in paperback **Christian Marriage Today** Klaus Demmer,Aldegonde Brenninkmeijer-Werhahn,1997 This book is the result of a symposium sponsored by the International Academy of Marital Spirituality INTAMS which brought together a group of distinguished scholars and theologians to discuss the current social and spiritual emergency of Christian marriage Going beyond a strictly theoretical evaluation of the sacrament of marriage the contributors examine the subject from a pastoral viewpoint and address the praxis situation of couples trying to live out the implications of the sacrament The volume will be of interest to theologians as well as to catechists involved in the preparation of couples for the sacrament Klaus Demmer begins the book with an overview of INTAMS He provides background information on the symposium outlines the main themes discussed and introduces the essays included in the volume The first essay by J rg Splett presents a philosophical reflection on the nature of Christian marriage and the way in which it fulfills the person From a historical perspective Michel Rouche then provides a survey of the many changes in the concept of marriage and the family throughout European history Ladislav Rys contributes a fascinating essay in which he describes the sacrament of marriage as a special vocation He examines the divine and human action in the nuptial ceremony and focuses on God as the principal actor in the event Rys meditates on God s revealed thoughts on marriage on God s presence during the ceremony and throughout a couple s married life and on the implications of the Christian doctrine of marriage for spirituality liturgy and canon law The final essay by Carlo Rocchetta traces Vatican II s terminological shift from marriage as a contract to marriage as a covenant and outlines the main guidelines for a new theological conceptualization of

marriage as a sacrament

Christian Marriage and Family Michael G. Lawler, William P. Roberts, 1996 A definite shift in the Catholic Church's understanding of marriage took place at Vatican Council II Rather than perceiving marriage as a contract whose primary purpose was the procreation of children the council spoke of marriage as an intimate partnership of life and love Then recapturing an earlier tradition it went on to describe the family as a domestic church In this book seven theologians who have lectured and written extensively on marriage probe the rich theology of marriage and family that emerged from Vatican II and explore some of the implications that flow from this theology Part One reflects on the sacramentality of marriage and on the family as a church of the home Part Two examines the pastoral implications this has for marital and family ministry and spirituality

The Symbolism of Marriage in Early Christianity and the Latin Middle Ages Line Cecilie Engh, 2025-10-01 In the Middle Ages everyone it seems entered into some form of marriage Nuns and even some monks married the bridegroom Christ Bishops married their sees The popes as vicars of Christ married the universal Church And lay people high and low married each other What united these marriages was their common reference to the union of Christ and Church Christ's marriage to the Church was the paradigmatic symbol in which all the other forms of union participated in superior or inferior ways This book grapples with questions of the impact of marriage symbolism on both ideas and practice in the early Christian and medieval period In what ways did marriage symbolism with its embedded concepts of gender reproduction household and hierarchy shape people's thought about other things such as celibacy ecclesial and political relations and devotional relations How did symbolic cognition shape marriage itself And how if at all were these two directions of thinking symbolically about marriage related multidisciplinary approach high precision conceptual analyses a case study of symbolical cognition

A Theology of Love Werner G. Jeanrond, 2010-03-21

Christian Marriage David Thomas, 2015-10-14 2008 Catholic Press Association Award Winner Couples who marry today enter into a relationship that is in many ways more challenging than it was a generation or two ago The social institution of marriage has experienced almost cataclysmic change The very foundations of marriage are often questioned Yet Christian marriage David Thomas insists retains a power to transform and sanctify lives Thomas presents in this second edition of *Christian Marriage* the same view as he did in his first

book a positive view of Christian marriage grounded in sacramental living Yet this edition is entirely new as Thomas reflects on how current theological cultural and economic perspectives influence and inform Christian marriage Thus A Journey Together the subtitle of the earlier edition becomes The New Challenge And readers enter with Thomas into a discussion of contemporary concerns such as intimacy and sexuality gender equality and relational spirituality and parenting with hope in a world of unknowns Facing these challenges of marriage Christian couples will discover ways to meet the one great challenge to love each other as Christ Jesus has and continues to love us David Thomas PhD is the current co director of The Bethany Family Institute For over thirty years he was a Professor of Systematic Theology Religion and Family Life at St Louis University St Meinrad School of Theology in Indiana and Regis University in Denver Thomas served as a theological consultant to the United States Catholic Bishops Committee on Marriage and Family Life He and Karen his wife of forty years are the parents of seven children and seventy five foster children He now lives in Whitefish Montana **The Living Church**

,1948 **The Body in Context** Gareth Moore,2005-02-11 In this highly readable book Gareth moore examines some of the principle arguments and styles of argument advanced by Christians particularly the Roman Catholic Church in support of Christian standards in sexual ethics Catholic teaching has sought to present those standards and values as ones which anyone can embrace ones which they should be able to see as right if only they think about them in the right way Arguments have been drawn from Scripture and also from philosophy and experience the latter being particularly important at a time when the Church can no longer lay down the law but has to be able to persuade But are these arguments valid or are they flawed Moore s study covers such wide ranging topics as sexual pleasure the purpose of sex sexual gestures marriage contraception and homosexuality and in these areas and the more specific sexual issues he covers he often finds the Church s case to be defective Though the Church has valuable things to say its supporting arguments can be unconvincing Better arguments he claims are needed or alternatively the possibility has to be faced that the Churches teaching needs modification Whatever the case the Church needs to do more thinking about sex Growing Love in Christian Marriage Third Edition - Pastor's Manual Jane P Ives,S. Clifton Ives,2013-03 Life together begins with a strong foundation

Locating Cultural Creativity John Liep,2001-02-20 This book reexamines the interconnectedness of culture and creativity in an increasingly hybrid world They argue that while many of the old certainties about high culture and artistic canons may now be disintegrating culture and creativity themselves are still very much a reflection of social processes involving power and the control of resources Case studies include youth subcultures in Europe experimental theatre derived from the Brazilian candomblé dance the role of memory in mythology among the Pukapukan of Polynesia the evolution of football and polo in Argentina gender relations in Algerian raï music the notion of authenticity in artistic movements in Zanzibar traditional and modern practices of the Lio in Indonesia and kula exchange and social movements in the Trobriand Islands in the Pacific *Never A Dull Moment* Eugenia Price,2021-03-23 Why bother about God What s right and what s

wrong How can I become a Christian How can I be sure I am a Christian These and many more questions are uniquely answered from the scripture by Eugenia Price Never a Dull Moment answered youth s questions about God and Christianity frankly and honestly
