Crafting Devotions Laurie Beth Kalb, 1994 This first serious study of contemporary santeros working in northern New Mexico is amply illustrated throughout with beautiful color photographs Laurie Beth Kalb examines the role and meaning of tradition in the work of a number of artists both living and deceased including Luis Tapia Patrocinio Barela Marco and Patricia Oviedo Enrique Rendon and many others For each of these artists the meaning of tradition varies and the issues of self representation cultural expression preservation innovation and market demands are all complex powerful and delicate It is both troublesome and rewarding to be able to support a family on the sales of religious images to Anglo buyers The mainstream fine art world tourism religion and ethnic politics all play roles in the creation of traditional works in a contemporary world For all the santeros the tangle of religious commercial political and aesthetic forces requires complicated choices far beyond the basic relationships between themselves and their saints Laurie Beth Kalb tells a fascinating and revealing story about a unique art form and its significance A Contested Art Stephanie

Lewthwaite, 2015-10 When New Mexico became an alternative cultural frontier for avant garde Anglo American writers and artists in the early twentieth century the region was still largely populated by Spanish speaking Hispanos Anglos who came in search of new personal and aesthetic freedoms found inspiration for their modernist ventures in Hispano art forms Yet when these arrivistes elevated a particular model of Spanish colonial art through their preservationist endeavors and the marketplace practicing Hispano artists found themselves working under a new set of patronage relationships and under new aesthetic expectations that tied their art to a static vision of the Spanish colonial past In A Contested Art historian Stephanie Lewthwaite examines the complex Hispano response to these aesthetic dictates and suggests that cultural encounters and appropriation produced not only conflict and loss but also new transformations in Hispano art as the artists experimented with colonial art forms and modernist trends in painting photography and sculpture Drawing on native and non native sources of inspiration they generated alternative lines of modernist innovation and mestizo creativity These lines expressed Hispanos cultural and ethnic affiliations with local Native peoples and with Mexico and presented a vision of New Mexico as a place shaped by the fissures of modernity and the dynamics of cultural conflict and exchange A richly illustrated work of cultural history this first book length treatment explores the important yet neglected role Hispano artists played in shaping the world of modernism in twentieth century New Mexico A Contested Art places Hispano artists at the center of narratives about modernism while bringing Hispano art into dialogue with the cultural experiences of Mexicans Chicanas/os and Native Americans In doing so it rewrites a chapter in the history of both modernism and Hispano art Published in cooperation with The William P Clements Center for Southwest Studies Southern Methodist University *Tradiciones Nuevomexicanas* Mary Caroline Montañó, 2001 A comprehensive overview of New Mexican folk arts from the 16th century to the present time

Mediums and Magical Things Laurel Kendall,2021-05-25 Statues paintings and masks like the bodies of shamans and spirit mediums give material form and presence to otherwise invisible entities and sometimes these objects are understood to be enlivened agentive on their own terms This book explores how magical images are expected to work with the shamans and spirit mediums who tend and use them in contemporary South Korea Vietnam Myanmar Bali and elsewhere in Asia It considers how such things are fabricated marketed cared for disposed of and sometimes transformed into art market commodities and museum artifacts *A Gift of Angels* ,2010-09-20 It rises suddenly out of the Sonoran Desert landscape towering over the tallest tree or cactus a commanding building with a sensuous dome elliptical vaults and sturdy bell towers There is nothing else like it around nor does it seem there should be This incongruity of setting is what strikes first time visitors to Mission San Xavier del Bac This great church is of another place and another time while its beauty is universal and timeless Mission San Xavier del Bac is a two century old Spanish church in southern Arizona located just a few miles from downtown Tucson a metropolis of more than half a million people in the American Southwest A National Historic Landmark since 1963 the mission s graceful baroque art and architecture have drawn visitors from all over the world Now Bernard Fontana the leading expert on San Xavier and award winning photographer Edward McCain team up to bring us a comprehensive view of the mission as we ve never seen it before With 200 stunning full color photographs and incisive text illuminating the religious historical and motivational context of these images *A Gift of Angels* is a must have for tourists scholars and other visitors to San Xavier From its glorious architecture all the way down to the finest details of its art Mission San Xavier del Bac is indeed a gift of angels *Misplaced Objects* Silvia Spitta,2009-07-01 When things move things change Starting from this deceptively simple premise Silvia Spitta opens a fascinating window onto the profound displacements and transformations that have occurred over the six centuries since material objects and human subjects began circulating between Europe and the Americas This extended reflection on the dynamics of misplacement starts with the European practice of collecting objects from the Americas into Wunderkammern literally cabinets of wonders Stripped of all identifying contexts these exuberant collections including the famous Real Gabinete de Historia Natural de Madrid upset European certainties forcing a reorganization of knowledge that gave rise to scientific inquiry and to the epistemological shift we call modernity In contrast cults such as that of the Virgin of Guadalupe arose out of the reverse migration from Europe to the Americas The ultimate marker of mestizo identity in Mexico the Virgin of Guadalupe is now fast crossing the U S Mexico border and miracles are increasingly being reported *Misplaced Objects* then concludes with the more intimate and familial

collections and recollections of Cuban and Mexican American artists and writers that are contributing to the Latinization of the United States Beautifully illustrated and radically interdisciplinary *Misplaced Objects* clearly demonstrates that it is not the awed viewer but rather the misplaced object itself that unsettles our certainties allowing new meanings to emerge

Paul Pletka Amy Scott, 2017-09-28 Best Art Book and Best of Show 2018 New Mexico Arizona Book Award Born in San Diego in 1946 and raised in the American Southwest painter Paul Pletka has created a body of work that owes much to the West of his childhood and more to the West of his imagination Infused with an operatic sense of theater and drama his paintings conjure scenes from the cultures history and religions of the American West and Mexico diffused as Pletka writes through the lens of personal experiences dreams research and ancestral memory In *Paul Pletka Imagined Wests* the first book on this major American artist in over thirty years readers will encounter the full range of Pletka's oeuvre through more than eighty color reproductions of his best known and most influential works Images of warriors and shamans are paired with depictions of George Armstrong Custer Christian saints and the lost gods of North and South America their forms rendered in a distinctive style that mixes classical drawing and expressionist distortion with elements of surrealism and European symbolism An artist statement and notes on selected paintings provide rare insight into Pletka's creative process and an introductory essay by art historian Amy Scott discusses how Pletka's studies of indigenous cultures of the American West and Mexico as well as art historical and critical influences have informed his work Complex mysterious and mesmerizing Pletka's paintings are designed to make it almost impossible to look away In their boldly conceived subject matter vivid color and ethnographic detail these works and their creator are true originals in the rich artistic landscape of the American West

Vernacular Religion Deborah Dash Moore, 2022-12-06 Finalist Award for Excellence in the Study of Religion Analytical Descriptive Studies given by the American Academy of Religion A comprehensive collection of the pioneering work of Leonard Norman Primiano one of the preeminent scholars in religious studies In 1995 Leonard Norman Primiano introduced the idea of vernacular religion He coined this term to overcome the denigration implied in the concept of folk religion or popular religion which was juxtaposed to elite religion This two tiered model suggested that religion existed somewhere in a pure form and that the folk version transforms it Instead Primiano urged scholars to adopt an inductive approach to the study of religion and to pay attention to experiential aspects of belief systems ultimately redressing a heritage of scholarly misinterpretation Here for the first time Leonard Norman Primiano's pioneering works have been collected into one volume providing a foundational look at one of the preeminent scholars of twentieth century religious studies *Vernacular Religion* makes visible the dimensions of vernacular religion in North America exemplifying the richness of its ability to explain key facets of American society including especially thorny issues around race and sexuality The volume also demonstrates a method of abiding engagement the creation of ongoing relationships with those who are studied and how the relationship between scholars and the communities they study inform an ethics of critical commitment what Primiano calls an

ethnography of collaboration and reciprocity This posthumous collection edited by Deborah Dash Moore brings together key studies in vernacular religion that explore its expression among such varied groups as Catholics LGBTQ Christians and the followers of Father Divine Vernacular Religion models empathetic ethnographic engagement that embraces American religion in all its rich diversity illuminating Primiano s enduring legacy [Encyclopedia of American Folk Art](#) Gerard C.
