Art and Crafts of Jammu-Kashmir and Ladakh Dr. Renu Sinha, 2018 **Arts and Crafts, Jammu and Kashmir** D. N. Saraf, 1987 Kashmir is known for its arts and crafts but there is no single book so far which deals overall and totally with both known and lesser known crafts of Jammu Kashmir state. This book portrays a comprehensive study providing wealth of information and visual documentation on the beautiful part of India comprising Jammu Kashmir Valley and Ladakh. A state with rich craft and cultural heritage deserves to be better known in its crafts context of people and culture as a close and living relationship ties land to people and people to craft and culture. The book opens with brief description of this relationship since traditional skills co-exist and change in the course of changing conditions. The book covers some of the more important as well as lesser known crafts in their historical background, present and potential for future development being a constant process. The book also reviews the actual craft situation, its scope, design, craft training, the domestic marketing and exports of crafts, concluding on the most important factor, the craftsmen and their welfare. The book is invaluable in many ways. Over 100 pages of excellent photographs and typical design motifs. General readers, planners and administrators as well as traders and exporters will find highly useful the details. The book provides with the personal touch of author's rich experience over the years. **Crafts of Kashmir, Jammu & Ladakh** Jaya Jaitly, 1990 This book introduces readers to the almost unbelievable creativity of the Kashmir Jammu Ladakh region's crafts people in a sophisticated and splendidly illustrated book on the lives of its Hindu Muslim and Buddhist crafts people. 170 illustrations all in full color. **Early History of Jammu Region** Raj Kumar, 2010 , *Crafts of Jammu, Kashmir & Ladakh* Jaya Jaitly, Kamal Sahai, 1990 This book shows the most exquisite contemporary workmanship in weaving, embroidery, stone and metal work, ornaments, papier mache, carpets, woodwork and other crafts. Gods Beyond Temples Harsha V. Dehejia,2006 The sacred in the Indian tradition is more an experience than a concept and goes much beyond the narrow confines of an organised temple or even a shrine The gods of this tradition as well as those who hold them sacred are simple and unpretentious yet dignified and self assured Whether it is a tree that is held sacred or a naturally occurring stone that is revered a river that is the embodiment of divinity itself an ancestor that is the embodiment of divinity itself an ancestor that is worshipped a fabric that is simply draped a road side shrine on a busy street or a votive terracota horse that is lovingly made and offered a narrative scroll that holds its audience spell bound here is religion at work that is as spontaneous as it is intense charged with faith fervor and commitment now private and now shared that forms an integral part of the lived lives of these common people be they rural or urban tribal or traditional The rituals and practices for these deities are neither scripted nor canonized but what they may lack in grandeur erudition and ceremony they more than make up in the faith and feeling that they generate In a civilisation which has encountered majestic truths and erected

grand temples these sacred manifestations and expressions of the ordinary people tend to be sidelined or dismissed by scholars as well as the world at large as minor or lesser gods worthy of curiosity but not of serious study but it is important to remember that they have a beauty and presence of their own in the pluralistic Indian tradition **Floating Economies**
