Mastering the Craft Everton DeCoursey Weekes, Hilary Beckles, 2007 The second youngest and the most diminutive of the famous 3Ws Worrell Weekes and Walcott Everton Weekes was in his day the most punishing batsman in the world earning him the sobriquet of the Butcher Some like the legendary batsman Sir Donald Bradman thought he was the best batsman ever to come out of the West Indies The Everton Weekes experience is the quintessential Caribbean story a tale of how materially poor households produced citizens who achieved global excellence on account of brilliant intellect fierce discipline and determination and extraordinary generosity of spirit

A Theory of Craft Howard Risatti, 2009-09-15 What is craft How is it different from fine art or design In *A Theory of Craft* Howard Risatti examines these issues by comparing handmade ceramics glass metalwork weaving and furniture to painting sculpture photography and machine made design from Bauhaus to the Memphis Group He describes craft as uniquely blending function with a deeper expression of human values that transcend culture time and space Craft must articulate a role for itself in contemporary society says Risatti otherwise it will be absorbed by fine art or design and its singular approach to understanding the world will be lost

The Craft of Religious Studies Jon R. Stone, 2016-07-27 A collection of essays by distinguished scholars in the academic study of religion *The Craft of Religious Studies* represents the variety of research and analytical methods that researchers employ when examining religious phenomena whether personally or socially expressed Autobiographical in cast this collection points to diversity of approaches in the academic study of religion and highlights the interdisciplinary nature of the field While the ways scholars approach the study of religion in human culture vary the common ground among them as seen in these fourteen contributions remains their quest for understanding more so than the paths toward understanding they have chosen

Craft as a Creative Industry Karen Patel, 2024-04-01 Craft is resurgent More people are buying craft more money is being spent on craft products than ever before This book centres craft as a creative industry illuminating the experiences of those working in and around craft particularly people from marginalised groups Shining a light on inequalities around craft work the author examines the lived experiences of women makers of colour in the professional craft sector Experiences of racism and microaggressions at all stages of their craft career are analysed The author draws on innovative empirical research carried out in the UK and Australia two countries where the resurgence in craft is apparent yet professional craft practice is dominated by the white and relatively privileged In interrogating hierarchies of expertise and cultural value in craft the author employs case studies from community crafts and social enterprises The result is a book of interest to scholars at the intersections of the creative and cultural industries the creative economy and inequalities at work

Craft Brewed Jesus Michael Camp, 2016-04-08 What if the modern American church has its Christian history wrong According to ex-evangelical Michael Camp most American believers fail Christian History 101 Drawing on his own historical research and missionary experience he discovers that most popular Christian views of the Bible church sin salvation

judgment the kingdom of God the end times and the afterlife pretty much all religious sacred cows don't align with the beliefs of the original Jesus movement Some of them not even close

Camp s Craft Brewed Jesus paves a fascinating journey of a group of disillusioned evangelicals and Catholics When they decide to meet regularly over craft beers to study the historic foundations of their faith their findings both rock their world and resolve ancient mysteries They examine well documented narratives of the early Jesus saga Eastern streams of a lost Christianity and the roots of our modern religious assumptions all while striving to steer clear of either a conservative or liberal bias What they uncover is a vital refreshing spiritual paradigm no longer at odds with reality Grab your brew of choice and trace this transformational journey based on a true story that will encourage you in your walk of life and faith

Mask Makers and Their Craft Deborah Bell, 2014-01-10 Profiling 30 mask makers from around the world this book explores the motivations and challenges of contemporary artists working to bring the traditional methods and conventions of mask making to an evolving global theatre There are 181 photographs including two sections of color plates which illustrate how the mythic iconography of masks is used in the modern fields of dance mime theatre and storytelling Topics include the ways in which mask artists and performers maintain a sense of universality despite varying local customs the legacies of Italian mask makers Amleto and Donato Sartori and of the California based Dell Arte International School of Physical Theatre and the ways in which traditional approaches in mask artistry continue to influence commercial mask performance ventures in film on Broadway and in touring companies

Frank J. Fabozzi,Sergio M. Focardi,Caroline Jonas,2017-12-27 The price at which a stock is traded in the market reflects the

ability of the firm to generate cash flow and the risks associated with generating the expected future cash flows The authors point to the limits of widely used valuation techniques The most important of these limits is the inability to forecast cash flows and to determine the appropriate discount rate Another important limit is the inability to determine absolute value Widely used valuation techniques such as market multiples the price to earnings ratio firm value multiples or a use of multiple ratios for example capture only relative value that is the value of a firm's stocks related to the value of comparable firms assuming that comparable firms can be identified The study underlines additional problems when it comes to valuing IPOs and private equity Both are sensitive to the timing of the offer suffer from information asymmetry and are more subject to behavioral elements than is the case for shares of listed firms In the case of IPOs in particular the authors discuss how communication strategies and media hype play an important role in the IPO valuation pricing process
