Nanabanyin Dadson, 2014-05-15 Stop Apologising and Start Living: A Journey to Self-Acceptance Gaurav Garg, Well hello there brave soul Fancy meeting you here in the pages of a book about living unapologetically I'm guessing you like me have spent far too much of your life saying sorry for things that don't warrant an apology Things like existing having opinions or gasp taking up space in this vast crazy world of ours Let me tell you a secret I never meant to write this book In fact I almost apologized to my publisher for pitching it Ironical isn't it But here's the thing that moment that almost apology was the very reason I knew this book needed to exist You see I'm a reformed apologist A recovered sorry-aholic if you will I used to apologize for everything for being too tall for being too ambitious for wanting more out of life than what was handed to me I even apologized to a chair once when I bumped into it Yes really No the chair didn't accept my apology Rude But one day something snapped Maybe it was the time I apologized for getting promoted or when I said sorry for winning an award Whatever it was I realized I was diminishing my own light shrinking myself to make others comfortable And so began my journey towards unapologetic living It wasn't easy There were stumbles backslides and moments where I found myself apologizing for not apologizing But slowly surely I began to stand tall all 5'11" of me to speak my mind and to live life on my own terms This book is the culmination of that journey It's part self-help guide part personal narrative and part kick in the pants for anyone who's ever felt they needed permission to be themselves Fair warning this isn't your typical self-help book You won't find any promises of overnight transformation or secret formulas for success What you will find is honesty humor and a healthy dose of tough love Oh and probably a few typos because I refuse to apologize for being imperfectly human In these pages we'll explore why we apologize so damn much how to stop and what life looks like on the other side of sorry We'll laugh mostly at my expense we might cry no judgment and we'll definitely challenge some deeply ingrained beliefs about our place in the world So if you're ready to ditch the unnecessary apologies to stand in your power and to live life unapologetically then buckle up buttercup It's going to be one hell of a ride And remember you have nothing to apologize for

Drake is aware that Saige has a temper at times. He discovers exactly how hot her rage can flare when her control finally snaps.
