**WebObjects Developer's Guide** Ravi Mendis,2002 A practical solutions oriented guide to developing sophisticated Web applications with Apples WebObjects application server     *Card Games Around the World* Sid Sackson,1994-06-01 A leading inventor and collector of games Sid Sackson is also an expert on game history For this highly entertaining volume the self proclaimed game addict has selected over 60 popular games from around the world A brief but fascinating introductory chapter to the history of card playing is followed by a valuable glossary of terms associated with this popular pastime Additional chapters supply instructions detailed illustrations and an abundance of clear examples for playing such intriguing diversions as Sampan Kowah Kabu Cha Kau Tsz and Khanhoo from Asia Skat Blackjack Old Maid Fan Tan Eights Klondike La Belle Loucie Accordion and Hearts from Europe Whist Blackout Cribbage Spoil Five and Casino from the British Isles Pif Paf Samba Bolivia and Canasta from Latin America and Poker Pinochle Contract Bridge Rummy and Oklahoma Gin from the United States Most games can be played by children or adults with a common deck of 52 playing cards a few will need additional cards from a second deck     The Art of Playing Cards Rob Beattie,2018-10-30 The Art of Playing Cards is your tour guide to a standard deck This handbook covers the classic games tricks and skills you ll need to become an expert card shark There s something about opening a new pack of cards It doesn t matter whether you buy them at a filling station to while away a few hours on the road or if they re a classic deck of Bicycle cards bought specifically for a poker night they smell the same There s the same whiff of possibility of hands to play or chances to take of bets to win and of fun just waiting to be had THE GAMES There are thousands of games we could have included but along with some of the most popular we ve

also chosen those we think are the most fun the most challenging and the most exasperating Also much of the beauty of card games is that they vary so much and we've included plenty of tips for trying something a bit different Of course when faced with so many variations and different games it would be impossible to include them all here we only hope that you like the ones we have squeezed in THE SKILLS Shuffles cuts ribbon spreads fans flourishes false cuts forces false shuffles finger lifts double lifts they're all here explained in a simple step by step fashion that makes it easy for anyone to pick them up THE TRICKS Here we've concentrated on tricks we think are easy and approachable because there are few things more frustrating than trying to do something that's simply out of your league or utterly beyond your physical abilities Thus you won't find any magician's glue or funny specialized decks of cards there are few props and no fiendishly complex sleights and palms and there are definitely no cards up anyone's sleeves We hope the result is a book that you'll be able to come back to again and again whether it's to brush up on your shuffling or because you want to learn a new game or a new trick for the holidays If you do that then this book has served its purpose Oh and always remember it's not the cards in your hand that count it's how you play them
