Attentive Church Leadership Kevin G. Ford,Jim Singleton,2024-04-02 The world has changed and we minister in places we have never been in before As the world screams for our focus it's essential to become attentive to God our congregation and our community Kevin Ford and Jim Singleton call for attentive churches with attentive leaders to discern cultural and organizational change and pivot accordingly I Want Your Moo Marcella Bakur Weiner,Jill Neimark,2021-12-15 Learning Magazine Teachers Choice Award for Children's Books Gobble gobble Gobble gobble What a horrible noise I can't stand the sound of my voice Toodles doesn't like herself Her legs are skinny her feathers are brown and her head has no hair Most of all she hates her Gobble gobble All that changes when Toodles saves the day with her super confident super empowering super turkey Gobble gobble With lively rhymes and funny illustrations this book will have kids laughing out loud while they learn to accept their own Gobble gobbles An extensive Note to Parents relays additional information and strategies for helping kids overcome a lack of confidence and self esteem **Subject Guide to Books in Print** ,1996 *Sacred Subdivisions* Justin Wilford,2012-11-19 In an era where church attendance has reached an all time low recent polling has shown that Americans are becoming less formally religious and more promiscuous in their religious commitments Within both mainline and evangelical Christianity in America it is common to hear of secularizing pressures and increasing competition from nonreligious sources Yet there is a kind of religious institution that has enjoyed great popularity over the past thirty years the evangelical megachurch Evangelical megachurches not only continue to grow in number but also in cultural political and economic influence To appreciate their appeal is to understand not only how they are innovating but more crucially where their innovation is taking place In this groundbreaking and interdisciplinary study Justin G Wilford argues that the success of the megachurch is hinged upon its use of space its location on the postsuburban fringe of large cities its fragmented dispersed structure and its focus on individualized spaces of intimacy such as small group meetings in homes which help to interpret suburban life as religiously meaningful and create a sense of belonging Based on original fieldwork at Rick Warren's Saddleback Church one of the largest and most influential megachurches in America *Sacred Subdivisions* explains how evangelical megachurches thrive by transforming mundane secular spaces into arenas of religious significance *Paperbound Books in Print 1995* Reed Reference Publishing,R5ference Reed,1995-12
