Create Success:

Create Success! Kadhira Rajagopal, 2011 For far too long disadvantaged students in urban environments have believed the fallacy that academic success is unattainable Why The unfortunate answer is that too many urban school systems preemptively declare underperforming students to be failures a practice that fosters dysfunctional classrooms that fail to motivate engage and inspire students to succeed In *Create Success* Kadhira Rajagopal affectionately known as Dr Raja to his students outlines his no holds barred approach to teaching urban students Through his CREATE model of instruction students are held accountable for their own learning taught at an appropriate level and in familiar language and imbued with the sense that learning and personal achievement are qualities of which they should be proud not ashamed Dr Raja s CREATE model also places an emphasis on the active participation of teachers parents caregivers and coaches in each student s success Resulting in unprecedented success among students previously dismissed as lost causes and academic failures the CREATE model has demonstrated that it is indeed possible to close the achievement gap even in the most difficult cases Rajagopal has also shown that his model can be replicated in any classroom by a teacher who is willing to assume responsibility for each student s success hold students accountable embrace culturally responsive instruction and vigorously work on behalf of all students Filled with personal insights and battle tested strategies that promote student achievement *Create Success* is a pioneering approach to urban education from a 2011 California Teacher of the Year

Biblical Principles That Create Success Through Productivity Rich Brott, 2008 According to author Rich Brott it is human nature to want something for nothing or at least to receive a maximum amount of return for a minimum amount of effort The old adage notes that we should work smarter not harder There is no doubt that the industrial revolution changed society forever But is there ever a legitimate excuse to not continue working hard But the bottom line is this For you to be successful with consistency you will have to give up the ever present desire to live a life of leisure fulfilling every personal whim and want and choose to remain productive for a good part if not all of your life God honors hard work He honors productivity It is the author s belief that God s method for success is to bless the good productive work ethics of ordinary people Utilizing Your Passion to Create Success Joe Marsola Eidem, 2010-03 Life is a story and we all have our own special one to live Some of us are in the early chapters struggling to figure out the plot while others are mired in the middle with too many obstacles and unclear dialogue Still others are contemplating their grand final act You like me started out somewhere with your own special location culture and passions Your supporting cast family friends neighbors teachers mentors colleagues and employers even someone you may have casually met in passing influenced your thoughts values and decisions The result of these influences lead you to where you are right now holding this book reading these words at exactly this moment While our stories are peppered with our own individuality surprisingly they are not that unique The specific situations are varied but we ve all experienced ups and downs joys and sorrows days when we were sure we could fly and mornings when the mere

thought of getting out of bed was seemingly the most painful task we had ever faced I see the quizzical look on your face wondering what these life story mutterings are all about swearing that you had purchased a cookbook Let me assure you this is a cookbook and in it you will find a vast array of delectable recipes that will invigorate your palate and impress your friends You will also find a story my story You see these recipes make up one of my most important supporting characters food They will also introduce you to my single most influential supporting character family It is my sincere hope that these stories of food and family nurture both your body and soul and as you continue through your life story provide you with some guidance and much food for thought

Creating an Environment for Successful Projects, 3rd Edition Randall Englund,Robert J. Graham,2019-10-01 Now in its third edition this project management classic has been updated with an array of field tested tools to help upper management ensure the success of projects within organizations For over twenty years Creating an Environment for Successful Projects has been a staple for upper managers who want to help projects succeed This new edition includes case studies from companies that have successfully applied the approach along with practical tools such as templates surveys and benchmark reports for savvy leaders who want to ensure project success throughout their organizations The insights in this book will help management speed projects along instead of getting in their way All too often well intentioned managers put roadblocks in the team's way instead of empowering them with the tools they need to succeed This approach to project environments grounded in decades of research and practice will help you make your organization the most project friendly it's ever been

Organizational changes rarely work unless upper management is heavily involved. Although project managers are most closely responsible for the success of projects, upper managers are the ones who ultimately create an environment that supports those projects. The way upper managers define structure and act toward projects has an important effect on the success or failure of those projects and consequently the success or failure of the organization. This book helps all managers understand the need for project management changes and shows how to develop project management as an organizational practice.

The Moment of Reckoning: Embracing Change and Creating Your Tomorrow Pasquale De Marco, 2025-05-07

The Moment of Reckoning: Embracing Change and Creating Your Tomorrow offers a transformative guide to embracing change, breaking free from limitations, and creating a life that is both fulfilling and meaningful. Through a series of thought-provoking chapters, Pasquale De Marco explores the challenges and opportunities that life presents, empowering readers to navigate them with resilience and purpose. Pasquale De Marco challenges us to confront our fears of the unknown, recognize the growth opportunities that adversity can bring, and cultivate a mindset of curiosity and exploration. By releasing our need for control and embracing the uncertainty of life, we open ourselves up to a world of possibilities. This book also delves into the importance of breaking free from the past. Pasquale De Marco encourages us to let go of regrets, limiting beliefs, and toxic relationships that hold us back. Through self-forgiveness and a commitment to creating a fresh start, we can liberate ourselves from the burdens of the past and forge a path towards a brighter future. The Moment of Reckoning: Embracing Change and Creating Your Tomorrow emphasizes the power of understanding our purpose and aligning our actions with our values and passions. Pasquale De Marco provides practical guidance on how to identify our unique gifts and talents, overcome obstacles, and embrace our role in making a positive impact on the world. By living in alignment with our purpose, we find fulfillment and meaning in all that we do. Resilience is a cornerstone of Pasquale De Marco's philosophy. This book offers invaluable insights into developing emotional resilience, building mental toughness, and navigating challenges with grace and strength. Through self-reflection and the cultivation of a positive mindset, we can overcome setbacks, learn from our mistakes, and emerge from adversity stronger than before. Ultimately, The Moment of Reckoning: Embracing Change and Creating Your Tomorrow inspires us to create a life that we truly love. Pasquale De Marco encourages us to challenge societal expectations, define success on our own terms, and focus on intrinsic motivations. By living with intention, passion, and gratitude, we can transform our lives into a masterpiece that reflects our unique values and aspirations.
